A message from Headteacher

Park is a true family where no one gets left behind and where **ambition, respect and collaboration** are at the core of everything we do inside and outside of the classroom.

Our mission is clear: **to make a difference in our communities by placing learning at the heart of all we do.** The school is first and foremost a place of learning where students feel safe, valued, and inspired to enjoy their educational journey. With a wide range of opportunities both in and out of the classroom, we believe every child will grow and flourish as part of the Park family.

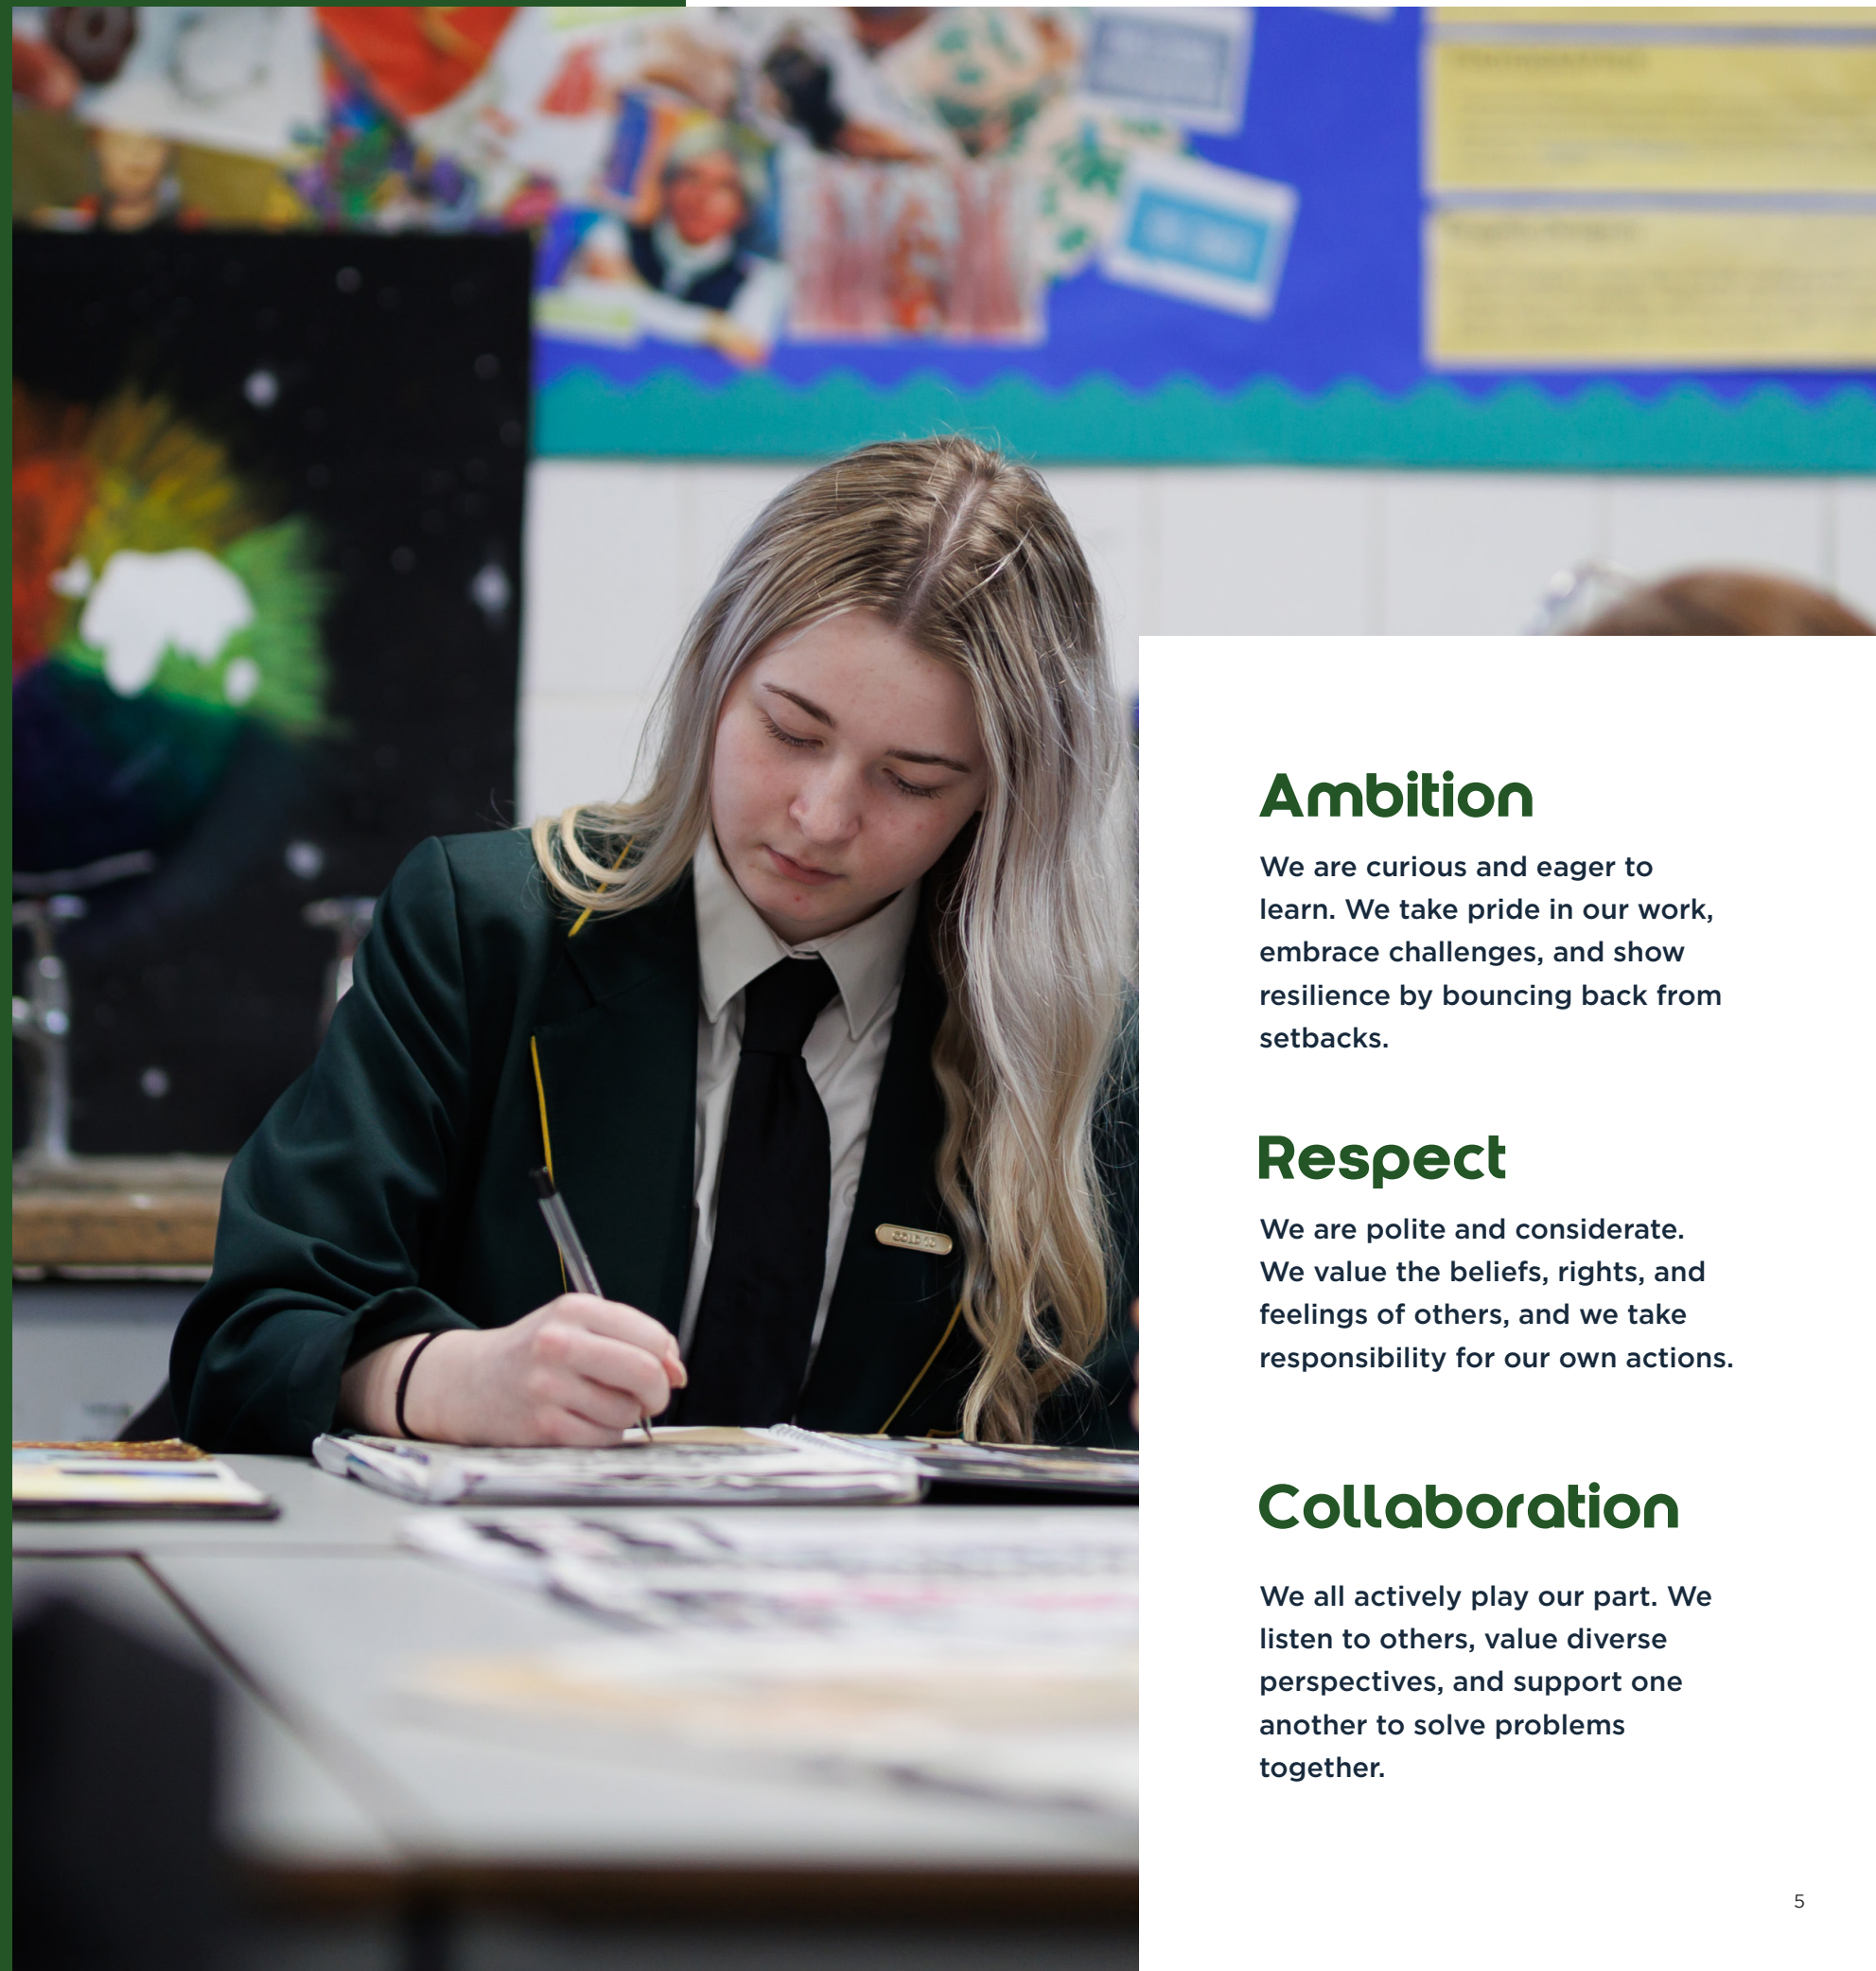

Mrs. C Eulert
Headteacher

Values & Ethos

Colne Park High School is where every student is recognised as an individual, and where we all aim to be the best we can be. We believe that every child has unique talents and strengths, and that they can experience success as they grow into confident young adults through the supportive and caring environment we provide.

"Park is a happy and safe place where pupils can concentrate on their learning."

Ofsted 2022

Ambition

We are curious and eager to learn. We take pride in our work, embrace challenges, and show resilience by bouncing back from setbacks.

Respect

We are polite and considerate. We value the beliefs, rights, and feelings of others, and we take responsibility for our own actions.

Collaboration

We all actively play our part. We listen to others, value diverse perspectives, and support one another to solve problems together.

Houses

It is in the community of the House that most pupils find the confidence and sense of belonging that lead to fulfilment in the larger community.

Academic

Academic success at every level is important to us at Park High School. Our curriculum is founded on high aspirations allied with academic breadth and challenge.

School is the preparation for the world of work and life beyond.

We value and strive to develop the skills our students need for life beyond the walls of Park High School; resilience, independence, ambition, challenge, respect, self discipline and a desire to be the best they can be.

**"The school's
strap-line 'no one gets
left behind' sums up
leaders expectations.**

Ofsted 2022

We aim to support every student at Park by identifying and supporting students based upon their individual needs.

We use a combination of specialist quality first teaching; intervention; student withdrawal programmes and targeted in-class support to ensure that all students can access the curriculum.

“Teachers have strong subject knowledge they spot and address any misconceptions and shortfalls in knowledge quickly.”

Ofsted 2022

Personal Development

We enable our pupils to take their rightful place in our community as a local, national, and global citizen.

We aim to provide an education that provides our students with opportunities to explore and develop their own values, whilst recognising that those of others may differ.

Broadening Horizons

We want to prepare you for life beyond the walls of the classroom. Together, the staff are committed to helping you grow personally. We will work with you to broaden your horizons and prepare you for a happy and successful life; a life where you can confidently communicate with others in a sophisticated way; a life where you can plan and be prepared and a life where you have the confidence and innate ambition to want to push yourself to have the best life possible.

Beyond the Classroom

At Park High, we believe that additional opportunities play a vital role in student development.

These activities enhance social skills, boost confidence, and foster the development of essential life skills such as teamwork, resilience, leadership and time management.

Sport plays a major part in life at Park High School and is considered an important for the development of the whole individual.

Park ensures all students can develop themselves and be active. Students will receive a solid foundation for a healthy life through sport and extra-curricular. They will learn about team spirit and camaraderie, develop confidence and be supported all the way in their sporting ambitions.

In an era of growing concerns about our children's mental health, the advantages of exercise and teamwork have never been more important in building emotional intelligence and resilience.

Creative and Performing Arts provide a superb opportunity for our pupils to engage in an active-learning process that fosters their creativity. Some enjoy the thrill of performance, others find a talent for writing and directing, whilst many students love the technical challenges of lighting and set building.

We nurture and grow aspiring students to show glimmers of excellence whilst developing confidence.
