Notices

- Please [click here](#) for YEAR 9 virtual Parents Evening Thursday 12th October and [click here](#) for a guide to support online appointment booking
- In order to inform the design of our new Relationships and Sex Education (RSE) Policy we would be most grateful if parents could complete the following questions so we can gain some feedback to support our design stage. Parent questions [click here](#). **The draft policy currently displayed on the website can be found [here](#)**
- Please [click here](#) for information on our Local Authority's Emergency Assistance Grant for Food and Essential Supplies to support people who are struggling to afford food and other essentials due to COVID-19.

- This year's **Children in Need is on Friday `13th November**. This year school will be hosting a **none school uniform day** and are asking families to **make an online donation following the link here [Children in Need Donation link](#)** rather than students bring money into school. This will ensure we can support the Children in Need charity whilst remaining Covid safe on school site. We would like to thank you in advance for all your support with Children In Need 2020.

Dates for diary - further ahead

- The planned KS4 Presentation Evening due to take place on Thursday 12th November will not be taking place this year but all our KS4 student award winners will be receiving recognition and certificates during our End of Term awards and celebration assembly.

Park in the news: Park turns green fingered!

.... Mrs O'Brien (SENDCO) writes

"The SEND department have taken over the maintenance of the garden and quad area in school. Our vision is to create a sensory garden and provide a safe, and nurturing environment for our SEND students. This area is now open at break times, and nurture lessons are taking place outside, weather permitted. We have three disengaged students in year 10 that are working on an alternative curriculum. They are all currently completing an ASDAN qualification in gardening, and they have started off by completely transforming this area for us. Special thanks must go to **Salterforth Gardening Centre** who very generously donated pots, plants and soils and other useful gardening accessories. Our gardening students have now planted these, dug up shrubs and made space for two picnic tables. The nurture

classes have now requested we transform one of these tables into a Lego table in preparation for our play therapy groups so this will form our next challenge.....fingers crossed for sunny winter days for us to enjoy this space!"🙏🙏🙏
