

## **Parents@Park 01/04/22.**

So here we are with the final edition of Parents@Park of the spring term. Its been a busy one - from our early Ofsted visitors to sporting successes, mock examinations to mock results days, mock interviews days to PD days, quality first teaching and lessons to quality first CPD and staff development, its been action packed! As always the students have shone, as has the sun at times (!) and have been an absolute pleasure to work with. We now eagerly await the final Ofsted report and grading and hope to be sharing this with parents and students soon after the return to school next term. Watch this space....!

On behalf of the staff at Park may we take this opportunity to wish you a restful Easter break ahead of the return to school and the summer term on Tuesday 18th April with an actin packed summer term.

## Celebrating Success

A big shout out to our final Credit and Park Point winners of the term. It is so lovely to be able to share the successes of so many of our students who continue to shine in school

## Head Teacher's Golden Letter Award

### Headteacher's Golden Commendation Award

**Park High School**  
Raising Aspirations

We are delighted to share with you this term's Golden Letter Award students. These students have approached this school term with the best possible attitude to both studies and Park life. The award winning students have shown they always approach work with energy and enthusiasm coupled with sheer hard work and determination.

***Receiving the Gold letter of Commendation is a huge achievement and we are extremely proud of this term's winners***

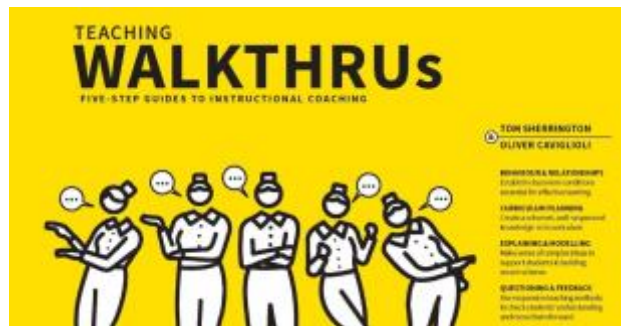

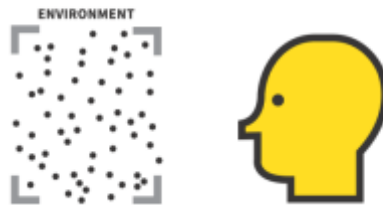

## Staff take back to the classrooms with Walkthru Wednesdays CPD

Staff @Park place Professional Development and learning at the core of their quality first teaching and throughout this term staff have remained fully committed to their personal learning, and continued professional growth and development. Following the Teaching WALKTHRU framework by Tom Sherrington and Oliver Caviglioni, together we are really enjoying this collaborative coaching guide which offers a range of strategies, rooted in proven practice and research, for developing pedagogical practice. In turn, this ensures the very best evidence informed teaching and learning for our students.

As we continue along our CPD journey unpicking & investigating essential teaching techniques, this week we have been looking at **SMALL STEPS** and how creating the right learning steps can help students with their understanding and memory. We have also looked at all the different factors affecting students' capacity to efficiently learn more and remember more.

## Another week, another win@Park

The results just keep coming .....

Two nights on the bounce for both our Year 7 and Year 8 netball girls this week!

Monday evening saw away games for both teams travelling to Pendle Vale Academy. Playing away did not affect either of the teams! Year 7 were straight out of the blocks, playing confidently as a team. Lottie and Jessica played some fantastic netball as GA and GS putting plenty of shots away. Not to mention the composure of Esther and Emilia in defence ready on their toes for any Pendle Vale attacking balls that came their way. The final score for Year 7 was 10-1 with Lottie named player of the match!

Win Win!

Year 8 took a little longer to find their best play but once settled, the team began playing with composure and dominance. Captain Katie showed great leadership and vocal skills to calm the team down and set the tone for excellent play. This, coupled with Megan's shooting practice at home, began to show towards the end of the first half with plenty of shots flying through the hoop. A big shout out to Ruby as WD who has just arrived back to school after being poorly but still brought her fierce and competitive attitude to the game! The Year 8 game ended with a 15-3 win to Park with captain Katie nominated as Player of the match.

Tuesday night's home game against Fishermore saw nerves running high - Park needed to win to succeed in being Pendle netball league champions. Nerves were soon forgotten and Lilly, Phoebe and Meg all played some beautiful play through the centre third to make some good attacking breaks. By the second half Park came into their own with the girls showing their skill and flare as a team. **Miss Parker's player of the match was Lilly, with the game ending in a 10-0 win!**

Year 8 showed finesse from the get go, with Bella playing WA and feeding plenty of balls into the circle for both Michelle and Megan to put away convincingly. Fishermore made some positive breaks but our GK Grace was exceptional and picked up everything that went into Park's defensive third. The score at half-time was 16-1. Megan came on as WA in the second half and provided lots of strong attacking deliveries down court. **The game ended 25-2, player of the match was Megan.W.**

***A night to remember for both teams as they all became 2022 PENDLE SCHOOLS NETBALL LEAGUE CHAMPIONS!***

Netball  
Nights

## Final Football Win of the term!

Year 9 finished as the **Pendle 11a-side football league champions** after a dramatic 4-3 win against West Craven. In the final two minutes of the match '**man of the match**' Alex Byrne dived low to **save a penalty** and seal the championship for the team.

Already crowned the Pendle 7a-side cup earlier in the season, the pressure was on. The team played well after going behind 1-0 from a corner in the opening minutes. Digging deep, goals from Rhys, Connor, Marcus and a **long range thunderbolt from Liam** set up the win for the lads.

### Year 9 Team

Bartosz, Callum, Connor, Charlie, Liam, James, Marcus, Alex, Josh, Harvie, Sam, Josh, Rhys, Loui, Lewis

## Notices

- The summer term will begin on Tuesday 19th April 2022

## Covid 19

- Due to a slight rise in the number of confirmed cases of Covid 19 amongst students, may we just remind parents and carers that **school is still requesting students to isolate following a positive lateral flow result. Students need to have had two negative tests (the first being on day five and the second on day six) before returning to school.**
- **COVID-19 lateral flow testing at home will continue twice weekly until further notice.**

[Report student Covid home testing results to school](#)

As per the guidance please continue to log the results with both the NHS and school log.
