

Parents@Park 18/03/22.

What a busy and exciting week at Park! From Dance workshops to Personal Development day, sports fixtures to subject intervention and Art trips, there has been lots going on for everyone to be able to get involved with both in school and within the community. The students continue to shine and the school is a happy and vibrant hive of activity.

Today as a school we have supported Comic Relief by hosting a non uniform day - [online donations to support the charity can be made here](#)

Huge thanks to families who donated £1 for none uniform today.
