

Parents@Park 04/02/22.

It's been a busy week of mid-year assessments at Park this week and once again students have applied themselves brilliantly, ensuring they can perform at their very best. Learning walks have shown that following teacher marking of completed assessments, students have been actively involved in gaining constructive feedback in response to their assessments. Unpicking assessments and any misconceptions and then working together to consolidate understanding is one of the very best ways our students can continue to improve and maximise their potential. Student focus and application has been fantastic and the learning environment has had a real buzz.

After a busy week, we can all relax and recharge our batteries and enjoy the start of the Winter Olympics this weekend! #teamGB #teamwork

Rewarding Success

Last week's prize week saw the awarding of a bumper **670 platinum awards**. The top four students from each of the four houses for Park Points and credits received not only their certificate but also a £5 Amazon Voucher to enjoy.

This week, our Headteacher Mrs Eulert has spent time meeting up with some of our highest achieving Year 7 students and celebrated their first full term at Park High School. She also squeezed in a quick photoshoot with our high fliers in Year 9 too - smiles all round **#teampark #celebrate #success**

Don't forget to log on to MCAS to see your child's weekly credit and Park point totals certificate for the past week. Bronze, Silver, Gold and Platinum certificates are awarded dependent on weekly credit totals.

Year 11 NCFE Health and Fitness results are in!

Well done to our Year 11 Health and Fitness students who received their examination results this week

	Park Students %	National Average %
Level 1 Pass and above	93%	82%
Level 2 Pass and above	75%	41%
Level 2 Distinction and above	28 %	8%

ncfe.

Boom boom!! #yesPark #teampark #reapingrewards

Special mention

Huge thanks must go to our Reading Ambassadors who are doing a fantastic job looking after the Library in the absence of Mrs Pearson. Special mention goes to Phoebe Wathen, Stephanie Taylor and Charlie Drinkwater for offering to keep the Library in good shape in their own time! We are so lucky to have such conscientious Ambassadors maintaining our excellent Library provision. Watch this space for book club and reading group opportunities in the very near future

Notices

- Safe parking, safe students

A polite reminder that parking on the yellow zig-zag road markings outside the school entrance is seriously putting our students at risk. Parking on yellow zig zag lines **is prohibited and illegal- therefore risking both a fine and penalty points.**

- An invitation for Year 8 parents to [Year 8 Parents' Evening 10th February 2022](#) [guide to booking appointments here](#). [attending parents evening via video appointments please see here](#).

Please remember to bring your own
water drink bottles to school

Broadening Horizons

PARK HIGH SCHOOL
'RAISING ASPIRATIONS'

Week 20 – w/c Monday 7th February

Week 20 w/c 7.2.22
Words of the Week

etymology (noun) – the origin of a word and the historical development of its meaning (Tier 2)

prodigious (adjective) - very large or impressive

diversity (noun) - the deliberate inclusion in a group or activity of people who are of different races, genders, and religions

The **etymology** of most medical terms can be found in the Latin language.
She wrote a truly **prodigious** number of novels.
Filled with **diversity**, my neighbourhood contains people of many different races.

Covid 19

- Student self isolation period can end **if they test negative on the morning of day 5 and the morning of day 6**, they can return to school on day 6. Please note the **first test must be taken no earlier than day 5 of the self-isolation period**, and the **second must be taken the following day**. All test results should be reported to the [NHS Test and Trace](#) and to school on [Report student Covid home testing results to school](#)

- Fully vaccinated individuals, children and young people aged between 5 and 18 years, identified as a close contact of someone with COVID-19, should take an LFD test every day for seven days and continue to attend their setting as normal, unless they have a positive test result or develop symptoms at any time.”

- **COVID-19 lateral flow testing at home will continue twice weekly until further notice.**

[Report student Covid home testing results to school](#)

As per the guidance please continue to log the results with both the NHS and school log.
