

## Parents@Park 25/02/22.

There is nothing quite like an **Ofsted inspection** to launch the start of the new half term, following what now seems like a distant half term break.... and wow, there is also nothing quite like an Ofsted inspection to really bring a team together to shine! Here at Park we often talk of "**Team Park**" and the "**Park Family**" and more so than ever these have been evident this week. The students have been **absolutely brilliant** - happily and confidently talking with inspectors about Park life and the **school has looked and felt fantastic throughout**. What is even more special, however, is that what the Ofsted inspectors have seen, felt and been part of is typically the norm - **a true reflection of a school working together to ensure the very best outcomes for all**.

We must now await an electronic version of the final report and grading (within 30 working days of the end of the inspection) with the final report usually published and released to all **within 38 working days**

of the end. As soon as we have the final report, we will be allowed to communicate the Ofsted grading, outcome and feedback with our students, staff and parents.

## Notices

Mr (Credits) Curran writes:

*"As our credits and Park Points work a week behind due to the administration of counting and award allocation, our first award winners of the new term will be shared next week".*

***Many thanks***

- Year 8 and 9 Options Events

Next week students in year 8 will have **an assembly on Wednesday 2nd March** to inform them of the options process and outline the courses available to them, as they make choices about their first GCSE course starting in year 9. **On Thursday 3rd March students and parents will receive the electronic options form, booklet and videos outlining each of the courses at 4pm.** This is to ensure all students and parents receive the information at the same time. A similar structure will run the following week for year 9 students, who will make the final decisions about the curriculum they follow in year 10 and 11.
