Lancashire Schools Stars of Tomorrow Showcase

- We are excited to announce that we have been selected to perform a dance composition in the ***Lancashire Schools Stars of Tomorrow Showcase on Wednesday the 30th of March 2022 at King George's Hall Blackburn***. Stars of Tomorrow Productions have produced numerous showcases and competitions across the North West. They have 13 years teaching experience working in schools delivering dance lessons, directing end of year plays and assisting in developing creative curriculum. They are also currently working alongside the National Theatre on their 2022 Connexions plays which will be performed at Home in Manchester next year. We cannot wait to showcase our student's fantastic dance talents and look forward to seeing parents and carers enjoy the evening. If your child is interested in being part of the performance, please encourage them to attend Dance Club on Thursday's after-school 3.20pm-4.20pm in the dance studio! #aspire#perform#achieve.

Broadening Student Horizons

This week's information share focuses on our intrinsic Personal Development programme (Intrinsic PD)

Mrs C Bridges writes

"During lockdown, we introduced a programme at lunchtimes to support and enrich our Personal Development provision for Park students. This year we have expanded this further with the overarching theme of RESPECT which will run throughout the academic year. These Intrinsic PD sessions (Tues and Wed) have continued to offer an opportunity for us to respond to changes in government legislation, cover sensitive topics such as Cancer awareness, LGBTQIA2S+ issues, eating disorders and mental health and most importantly enhance awareness and the well-being of our students. All of the sessions are prepared in line with government guidance, school policies and are age appropriate. These sessions are a unique approach to deepening student awareness and knowledge, strengthening our Personal Development and Relationship and Sexual Education Curricula. We welcome the support parents and carers can offer at home to support us in developing students' understanding of current and diverse themes. If you have any queries or questions with regard to these sessions, please do not hesitate to contact me on cbridges@park-high.co.uk"

- Our theme this week has been **online respect** and the areas we have focused upon can be seen below:

And finally

It is with much sadness that we say goodbye to much loved Reception teacher and former Park Parent Jayne Pennington from our neighbouring primary school St Michaels and all Angels. Jayne was a wonderful reception teacher for over 18 years, giving so many of our current and former students such a

brilliant, fun filled and happy start to their school careers and as pupils, teachers and parents alike, we are truly grateful to her.

It was lovely to see so many current and former Park High students and parents paying their respects amongst the many who had gathered for the funeral cortege

Our thoughts remain with her family and loved ones at this difficult time.

To Jayne ☹️
