We are absolutely delighted to be able to share the outcome of our February Ofsted inspection

<https://sway.office.com/yHYxyIQ14rsO4E54#content=Vzs76fwvi1cGFh>

Park High School continues to be a **GOOD SCHOOL**. At the heart of the report, Ofsted recognised **our family values** and **our ethos** that '**No one gets left behind**'.

**“ The school’s strapline no one gets left behind sums up leaders’ expectation ”**

***“Pupils are considerate of others”***

**“ It is a happy and safe place  
where pupils can concentrate  
on their learning ”**

**“ Teachers have strong subject  
knowledge ”**

**“ Pupils behave well in lessons  
and around the school building ”**

The most pleasing aspect of the report is the **wonderful comment about the amazing qualities that our students display** – biased as we maybe about our students (we already know they are amazing) it is **truly brilliant and reassuring to have this highlighted by Ofsted.**

**“ They spot and address any  
misconceptions or shortfalls in  
pupils’ knowledge quickly ”**

**“ Leaders ensure a strong culture of safeguarding. They prioritise pupil safety and wellbeing”**

We are also delighted that Ofsted have **recognised the dedication and care of Park staff**. Rightly so, the report references excellent **subject knowledge, an ability to spot and address gaps and staff's continual offering of care, guidance and wrap around support within a strong culture of safeguarding**. All of these attributes are allowing our students to continue to flourish.

***“ Teachers spot and address any misconceptions or shortfalls in pupils’ knowledge quickly ”***

***“ Pupils enjoy positive relationships with each other and the staff ”***

As you can tell we are so proud of every member of the park family and the content of the report, so we will apologise in advance for the bombardment of positive Ofsted quotes which will inevitably follow in the next few weeks .....!

As well as highlighting the strengths of the school, **the inspection team also gave Park guidance to secure a future Outstanding judgement and our plans are firmly in place to ensure that these areas are fully addressed** as we continue our journey to an outstanding school experience for all.

Park is a **good school because of every member of the park family** and therefore I cannot thank you enough for your continued support in helping us to maintain the exceptionally high standards which allow students to be the best they can be.

It is an absolute **privilege to lead a school of such talented students, supportive families and dedicated staff** and I look forward to working alongside you as we **continue on our journey to outstanding** together.

## Notices

- **Wednesday 27th April – Year 10 Geography students will be completing their Geography Fieldwork at Malham Cove.** Pupils will need to be at school for **08:00 AM** where we will register and set off for Malham. After a day of completing our Human and Physical fieldwork, we will arrive back at school at **16:00 PM**. Keep your eyes out on the school website for how our Geographers get on!”

**Words of the Week**

**linear (adj)** – arranged in a straight or nearly straight line.

**denominator (noun)** – a shared trait

**biased (adj)** – unfairly prejudiced for or against someone or something.

The students used blocks to create a **linear** path across the floor.  
 I think the only common **denominator** of success is hard work.  
 During the experiment, the participants were blindfolded so that the test results wouldn't be **biased**

**WOW in Action**

## Covid 19

### ***New guidance relating to Covid 19 from 1st April***

*"The government have concluded that the population now has much stronger protection against COVID-19 than at any other point in the pandemic, so we can begin to manage the virus like other respiratory infections. From 1st April, regular asymptomatic testing is no longer recommended in any education or childcare setting, and we will not be issuing pupils with test kits.*

*Children who become unwell and have a high temperature should stay at home and avoid contact with other people. They can return to school when they no longer have a high temperature, and they are well enough to attend. If you do have access to Covid tests children with a positive COVID-19 test result should stay at home and avoid contact with other people **for 3 days**, which is when they are most infectious. They can also return to school when they no longer have a high temperature, and they are well enough to attend".*
