

Parents@Park

We start this week's Parents@Park with more **post Ofsted feedback!** The below letter from **Edwina Grant, Executive Director of Children's services**, shows just how much of a **team effort** our recent Ofsted grading was down to. The acknowledgement of the **efforts of our students and families is wonderful to read** - we continue to be really proud and remain determined and committed to providing the best school experience for our students.

Congratulations on your recent Ofsted inspection

I have just read the report from your recent Ofsted visit in February and would like to take this opportunity to congratulate you on the progress you are making.

It is clear that pupils benefit from an impressive personal development curriculum, which enables them to contribute positively and flourish in modern Britain.

Please pass on my very best wishes to your staff, governors, parents, and pupils for all their hard work and commitment.

Yours sincerely

Edwina Grant OBE
Executive Director of Education and Children's Services

Breakfast's back!

We are so **proud** of our Year 11s with their approach to the start to their GCSE examinations.

Every morning **Head of Year 11 Mr Schofield** and **Y11 Pastoral Support Worker Mrs Coffey** have welcomed Year 11 to the revision breakfast with tea, coffee and toast. I have heard requests for full English breakfasts but that's a bit beyond Mr Schofield's culinary skills so for now top quality buttered toast will continue (he's mastered toast buttering!)

Revision Breakfast starts at **7.30am** and sessions have been very well attended **this week** by our Year 11 students. Year 11 student Reece said *"Its great to come in early and have time to go through my revision cards. I can sit with my mates and we have been going over things before the exam. Having a brew and piece of toast has also helped me prepare early and settle my nerves before the exam."*

We wish our Year 11s **every success in up and coming GCSE examinations next week:**

Monday - Geography

Tuesday - French

Wednesday - English Literature

Thursday - Religious Studies

Friday - Chemistry and Computer Science

Today Year 10 began their Summer Mock Examinations with English in the morning and Biology in the afternoon.

The Year 10 Mock Examinations are spread over several weeks in the sports hall due to the GCSE Year 11 Examinations taking place.

The majority of these examinations are in the afternoon and will finish at approximately 3.00pm. As a result we will dismiss Year 10 from the sports hall and not send them to the RISE period.

Travels around the Trust

- **Year 3 and 4 Primary Football Trust Tournament**

Lord Street were victorious in first ever Trust primary football tournament

Lord Street and Laneshawbridge went head-to-head in our first primary football game this week. The standard was extremely high, with all pupils playing some fantastic football. In addition there was great support from the teachers and parents too! Every game was very close with each team winning at least one match. but with a convincing win and a draw under their belts, Lord Street Team 1 became champions.

Next stop - a **netball tournament** in the coming weeks followed by a **final activity of rounders for the Year 6's** - many of whom will be joining us here at Park in September and based on recent form and the standards of sport in the Trust tournaments, we have some sporting and team work superstars joining us in September.
