

Parents@Park

Year 11's time to shine!

This week we send our best wishes and all the luck in the world to our year 11 students who have been working really really hard in the build up to their final examinations which start next week. Best wishes and a huge shout out must also go to our parents and families who have provided all the support, love, encouragement and revision guidance along the way. The end of the Park journey is in sight - those young fresh faced, excited (and nervous) Year 7 students of 2018 in their oversized blazers and ties (which took an age to tie!) are just about ready to fly the nest of Park and embark on their next steps. It goes without saying we are so very proud of each and every one of our students and are very much looking forwards to supporting them through the next eight weeks before giving them the send off they deserve. **#Year11 #Seniors #Workhard #Shine #Parkfamily #GCSES2023**

Year 11 GCSE Exam Timetable (plus Year 10 RS GCSE exams)

Year 10 GCSE Religious Studies exam dates

**Monday 15th May
(morning) Tuesday 23rd
May (afternoon)**

FINAL EXAMINATION TIMETABLE 2023		
DATE	MORNING	AFTERNOON

GCSE Exam in GREEN
MOCK Exam in YELLOW

Boat Race Update!

Max Belshaw, Olivia Stubbins, Ava Burgess, Tyler Davies, Alfie Hartley and Amber Hawkins are doing themselves and Park proud in the latest instalment of the Boat Race Challenge. It was a debating session with Pendle Vale and Ribbleshead.

Feedback from N&C College judges and teachers from the other schools included: "Well done, Park students delivered compelling arguments backed up by evident research all demonstrated with great public speaking skills". Super super!

Music and Creative and Performing Arts@Park

Year 9 and 10 Music GCSE pupils enjoyed a visit to Burnley College on Thursday May 4th.

They enjoyed watching some performances by Year 12 students, and had a setting up equipment workshop by Tommy Handley. Tommy is a previous GCSE Music pupil from Park, and it is always a privilege to see Park pupils succeeding after they have left us. We wish him well with as he continues his Music studies and starts a degree at Leeds University in September.

Creative & Performing Arts

Calling all actors, singers and dancers.

New after school club.
Tuesday 3.15pm-4.15pm
Starts May 9th

Performers@Park

ASPIRE. PERFORM. ACHIEVE.

MUSICAL THEATRE

- Are you or do you know somebody who is looking for a new challenge in creative and performing arts? Due to planned expansion of our curriculum offer in CPA we are recruiting now!!

The Pennine Trust

COLNE PARK HIGH SCHOOL

JOIN OUR CPA TEAM!

AMBITIOUS AND TALENTED TEACHERS
OF ALL SPECIALISMS OF CREATIVE
AND PERFORMING ARTS**

- [Please visit our website here](#) for further details and application packs

Sport@Park this week

PE Extra Curricular activities

Break club

Tuesday – Friday in the sports hall

Badminton and Basketball

No PE kit needed – just trainers

Last week, Miss Towers's National Hockey success, this week Hannah's International Football debut - Park's spreading far and wide!

Earlier this month, **Year 8's Hannah Beebe represented England as captain of Barnoldswick Town U13s football team** at an international girls' football tournament in Capestang, France. The girls played against teams from France, Ireland, Belgium, Luxembourg and the Netherlands. **The team all played brilliantly and were proud to achieve second place in the final.** An amazing experience was had by all the girls both on and off the pitch.

GCSE Geography Field Trip: Malham 2023

Our Year 10 Geography students have been out and about completing their fieldwork in preparation for the GCSE Paper 3 they will sit at the end of Year 11.

Following last year's success both fieldwork studies were completed in Malham. Here, students completed a land use survey to assess the impact of tourism on the town. This included a walking tour and speaking to locals to determine whether Malham was primarily a tourist or resident location – **students represented Park High School and the Geography department fantastically, so much so we have been invited back to the café for chips and cake again next year!**

The physical fieldwork aspect included a river study, where the aim was to investigate how a river changes from its source to mouth. Students enjoyed wading through the river to measure its width, depth, velocity and load particle size at four different locations. **Once more, students behaved impeccably to complete their work to a very high standard whilst ensuring their personal and group safety.**

Now the data collected it will be analysed and presented in class to help students collaborate and draw conclusions from their data.

Well done to all of our GCSE Geographers!

Dates for the diary and Notices

- **W/C Monday 15th May** - Year 10 summer GCSE mock examinations begin - PLEASE NOTE AMENDED DATE (TYPING ERROR!) and Year 11 final examinations begin.
- Friday 26th May 2023 - school closed to students: Staff training day - [please see school calendar](#) published September 2022 on our school website for an overview of all school holiday dates.

Aspiring Clubs for year 10, 11 and 12

2023/24

Our Aspiring Clubs are aimed at giving you a taste of life as an apprentice. Whether you are an Aspiring Engineer or interested in becoming an Optician, we have lots of options available.

Aspiring Engineers

A 6 week course delivered in engineering workshops on a Saturday morning covering:

- Milling
- Turning
- Fitting
- Sheetmetal / welding
- Computer Aided Design (CAD)
- CNC machining

When:

Date TBC - please register your interest on the website and we'll let you know as soon as the next Aspiring Club is confirmed

Cost:

There is a small cost to cover materials which is £20

Aspiring Automotive Technicians

A 6 week course delivered in automotive workshop on a Saturday morning covering:

- Paint spraying cars
- Body repair
- Car and HGV engines
- Carrying out simple car checks

When:

Date TBC - please register your interest on the website and we'll let you know as soon as the next Aspiring Club is confirmed

Cost:

There is a small cost to cover materials which is £20

Aspiring Accountants

A 3 hour taster session covering:

- Current apprentices as guest speakers
- Balance sheet activity
- Double entry bookkeeping activity
- Accounting board game
- Accountancy in the working environment
- Accounting card games

When:

Mon 3rd July 2023 | 9.30am - 12.30pm
Mon 12th February 2024 | 9.30am - 12.30pm

Aspiring Business Professionals

A 3 hour taster session looking at:

- Decision making
- Prioritising
- Project planning
- Communication in the workplace

When:

Mon 3rd July 2023 | 1pm - 4.30pm
Mon 12th February 2024 | 1pm - 4.30pm

Aspiring Dental Nurses

A 3 hour taster session introducing you to:

- The role of a Dental Nurse
- Surgery tour looking at equipment and instruments
- Mixing alginate impression material
- Discuss oral hygiene and diet
- Current apprentices as guest speakers

When:

Mon 17th July 2023 | 9.30am - 12.30pm
Mon 11th March 2024 | 9.30am - 12.30pm

Aspiring Optical and Healthcare Professionals

A 3 hour taster session looking at:

- Eye conditions
- Demonstration of magnifiers
- Different prescriptions and trial frames
- First aid and CPR
- Bandaging activity
- Recovery position activity

When:

Monday 17th July 2023 | 1 - 4pm
Monday 11th March 2024 | 1 - 4pm

WOW Words 15.5.23

intrinsically (adverb) - in an essential or natural way
apathetic (adjective) - not interested or enthusiastic
pathologise (verb) - to represent something as a disease

The college and the community are **intrinsically** linked.
Even the most **apathetic** students are beginning to sit up and listen.

There is an increasing tendency to **pathologise** problems previously considered a normal part of being human.

Travels around the Trust

Park Leaders shine at Primary Badminton Festival

Four primary schools came to Park this week to take part in a Badminton festival. Hannah Beebe, Lottie Hesketh, Esther Davies, Meg Martin and Phoebe Law took control of the event, leading a school each in warm up games and fun skill activities. They then lead the tournaments, organising and scoring all the games. All the primary pupils had a fantastic time and the teachers and parents were very impressed with how confident and capable the girls were.

Lots more sports leadership opportunities are coming over the next few weeks with lots more pupils being involved.

Future PE teachers in the making!
