

Parents@Park

It has been a busy week of examinations this week - and dare I say so far, so good! Students have approached each exam with the maturity and diligence that we are so used to them showing - the Park High School journey trains and prepares students for tackling examinations and as such students have really good exam preparation and completion habits in place enabling them to go in, focus and achieve. These routines and habits, coupled with Mr Schofield's pastoral care and expertly made rounds of breakfast toast are ensuring our students continue to shine.

Aside from examinations it has been an action packed week from field trips to sports events, university visits to personal revision plan completion, it is all going on as we drive forwards towards the half term break.

New Performers@Park

Mr. A. Calvert (our newly appointed teacher of creative and performing arts) writes:

*"Performers@Park is now up and running and in full swing! We're absolutely thrilled with the turnout from our hugely talented students. Each week, **we work on a section of a musical theatre show, focusing on a different Performing Arts discipline.** This week, Miss Fielding led the group through a **dance rehearsal for the song 'Summer Nights' from 'Grease'** and the participants did a fantastic job!*

*Performers@Park happens in the Dance Studio **every Tuesday from 3.15pm - 4.15pm. New members always welcome"***

Sport@Park this week

Park has 10 fully trained cricket leaders this week!

10 pupils went to The Leisure Box in Brierfield to take part in **a day of training to become cricket leaders**. Pupils were first shown how to lead sport specific warm-ups and set up and practice fun drills and skills. They then had to learn how to umpire and score cricket games. **The pupils are now qualified to lead at 3 different cricket festivals with the local primary schools** over the coming weeks. **Mrs Callaghan was again very impressed with the enthusiasm and involvement from all the pupils.** Well done to Seth, Max, Alfie, Lottie, Esther, Hannah, Maisie, Jessica, Phoebe and Imogen.

A focus on Ambition on the Manchester Metropolitan University trip

A group of ambitious Year 7 students have just embarked on an unforgettable journey to the esteemed Manchester Metropolitan University, and we can confirm they've returned with their dreams ignited and their ambitions soaring! 🚀✍️ Students had the privilege of stepping into the shoes of future university students, discovering the vast world of higher education that awaits them in the future. The Year 7's explored a multitude of subjects and faculties, ranging from cutting-edge sciences to captivating humanities. They even had the chance to visit a mock courtroom, giving them a glimpse into the legal system.

Why is this visit so important?

Our students are inspired! They had their eyes opened to the endless possibilities beyond Park High School. Visits like these help to show students that with hard work, determination, and a thirst for knowledge, they can achieve greatness and make a difference in the world. Students learn to see that education can be a gateway to a bright future, enabling them to contribute to society in their own unique ways. 🌍🎓

Remember, each one of our students has the potential to achieve remarkable things. So, together, let's transform their ambitions into achievements.

Ambition.

Collaboration.

Respect.
