Head Teacher's Golden Letter Award Winners

We start this week's Parents@Park with a **celebration of our most recent Head Teacher's Golden Letter winners** - being awarded a golden letter is a huge achievement. With over a thousand students on school site all working hard to achieve and succeed in school just shows what a wonderful achievement it is to be awarded a golden letter.

Huge congratulations to our Summer term 1 winners.....

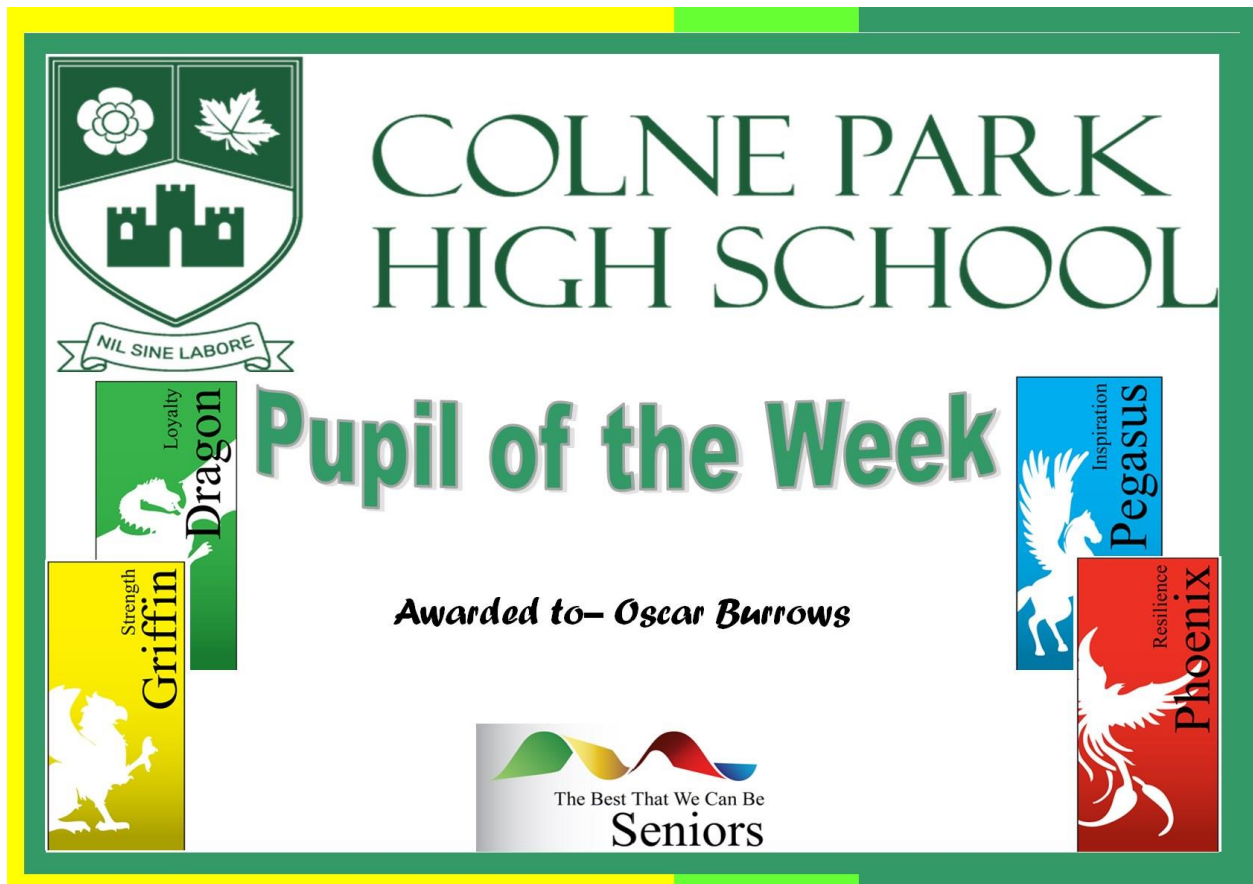

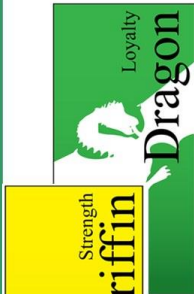

Summer term 2 - rewarding success continues

With summer term two well underway, we have lots of Park Point and Student of the Week winners to share and celebrate - don't forget to log on to MCAS to find credit and park point certificates to celebrate.

Whole school notices

- As we start to prepare for the 2023/24 school year, please see below a video outlining some slight changes to the House system moving forwards.

- **New Year 7: The class of 2028!!!**

As we are in the final stages of plans to celebrate the end of Park for our outgoing Class of 2023 Year 11's, we are also well underway with preparing for the arrival of our new year 7 students. This time of year is always a time of mixed emotions - sadness at saying good bye to our outgoing students but at the same time joining them in their excitement (and nerves!) at starting the next step of their journey. In addition, we are really looking forwards to opening the doors and welcoming our newest members of the Park family... it is all go!!

- As a school we are **welcoming donations of pre-loved uniform** so we can wash, and recycle for use as borrowed uniform. **Stocks are running low so donations would be most welcome via school reception.**

- Students still with last year's KS3 trophy home must now return these to school ASAP as the deadline has passed and we must get them to the engravers early next week for this year's award winners to be able to be presented with their trophies.

- We are now also asking for students to bring their KS4 trophies back into school as preparations are now underway for this year's awards KS4 presentation evening.
- Please can we ask parents of year 11 to clear any over due lunch money via MCAS.

Children & Family Wellbeing Service: The Healthy Relationship Course
Helping parents find more positive ways to deal with disagreements- Helping children feel more secure & improving children's mental health and long terms life chances.

Who's it for?

We can support anyone who has a significant caring responsibility for a child, including parents who are:

- in a relationship
- separated or divorced
- biological or step-parents
- foster or adoptive parents
- same sex parents

Is this for me?

- Do you feel listened to?
- Do your arguments seem to go round in circles?
- Can conversations make you feel tense or frustrated?
- How do you react?

How could the Healthy Relationships course help?

- Tools and techniques
- Building on your strengths
- Communication
- Bringing the focus back to the children techniques
- Getting back on track
- Coping with separation/divorce

- Please see below for details of a new support group for ASD students following the recent closure of Action for ASD in the North West.

“Empowering Families: Launching a New Autism Support Service for Stronger Futures”

Spring North and Child Action Northwest, are both leading non-profit organisations dedicated to improving the lives of individuals with autism are excited to announce the launch of a pioneering project designed to provide comprehensive support to families and parents who have children diagnosed with autism and those going through the assessment process. The project, set to operate across East Lancashire and Blackburn with Darwen, will offer a wide range of vital services to address the specific needs of these families.

The project's primary objective is to offer support to parents, carers, and families who are navigating the challenges associated with having a child diagnosed with autism. Recognising the significance of early intervention, the project will focus on two key areas of support: education on autism and strategies to support parents.

GO LIVE DATE

1st JULY

The new service will be accepting referrals and requests for support from parents from the start of June 2023 by accessing the portal below:

www.springnorth.org.uk/ASDsupport

However, the delivery of support services will not fully begin, until the 1st July 2023

For more information about the project and how to make a referral or access support, please contact Spring North at office@springnorth.org.uk

- Nelson and Colne New Student Days for Year 11 applicants.

All applicants will have been sent invites and a link to book on the day with this year students being able to “design their own day”. At the beginning of the day they will be met by the curriculum team for the subject they have applied for and have some time with them, but the rest of the day they will pick their own fun activities for the day.

There's all sorts going on from magicians, to inflatables to fairground games and a bungee run!

Sessions include Festival hair, science experiments and forensics to Law and murder solving activities. Lots of sessions to choose from and they can be from any subject area.

The end of the day they meet their subject team again to answer any questions about their next steps and course they have applied for.

There's also free breakfast and lunch and giveaways.

NCC Thu 29 June. 0830-0930 – Free Breakfast. Sessions start 0930

ARC Fri 30 June. 0830-0930 – Free Breakfast. Sessions start 0930

Sessions **MUST** pre-booked as each session has a capacity limit. The QR code on the posters takes them to an Eventbrite ticket booking page to select their sessions, see the agenda and read through the FAQ's.

This is an applicant only event – but there is the opportunity for anyone that hasn't applied to turn up on the day – apply there and then and pick activities with spaces.
