

Parents@Park

Mr Calvert's drone shot taken last week really does show off the school, nestled in the beautiful countryside, at its very best! We are so lucky with our surroundings - we may not have the newest of buildings, biggest of classrooms or the widest corridors but we have wonderful views and the school is filled with super students who bring the building to life.

Let's Celebrate!

Another week, another set of winners to celebrate together! Congratulations to this week's winners:

Shout out to Lilly Haigh, Charlie Fenn, Tyler Bignell and Jensen Heys for having the highest number of Park Points and to Jessica Shaw, Oscar Mulligen, Riley Phair, Bethany Richardson, Chloe Taylor, Ellie Goddard Young, Jessica Shaw, Kiara Sunderland, Lara Horesyn, Lucas Manley our Pupil of the Week winners

winner

That Friday feeling....

Sunshine and smiles -Friday ice lollies for our students who have been fantastic focusing on their learning this week in school #TeamReward #Park #LolliesForAll #SummerSunshine #Yum #Friday

Whole School Notices

- Student Voice and Uniform Update.

Blue skies and sunshine at last! We continue to monitor the weather forecast and can see that temperatures are set to be cooler next week. **During periods of warm weather, we ask that students do bring their blazer to school and wear on the corridors.** Students have been advised that **blazers can be removed in class during the warmer temperatures.** One of the (very) few advantages of our school building being old is that the **corridors do remain cool and shaded meaning that students can comfortably wear their blazers between class -we have, however, relaxed the wearing of blazers on corridors in the afternoons as temperatures rise.** As always, however, school will continue to monitor conditions and act on the **advice of the DfE and health authorities in terms of responding to the weather.**

Related to uniform, **our brilliant student voice team** have fed back a student idea for discussion about the **possible introduction of tailored school shorts** as part of the summer term uniform. This suggestion has now gone forward for **further discussion and investigation moving forwards.** Thanks to the student voice team for this excellent discussion point.

In addition Year 9 students have suggested that despite the seniors (Year 11) becoming part of the House team, they would like to be able to continue with the long standing tradition of wearing a 'seniors' tie in Year 11 but for it to include a link to their house colours - another brilliant idea ... under design and investigation!

- **New Year 7: The class of 2028!!!**

Reminder: Transition Day Thursday June 22nd June 2023

Creating opportunity. Inspiring excellence. Shaping tomorrow.

 **The Pennine Trust**
Creating opportunity. Inspiring excellence. Shaping tomorrow.

- As a school we are still **welcoming donations of pre-loved uniform** so we can wash, and recycle for use as borrowed uniform. **Stocks are running low so donations would be most welcome via school reception.**

- Please see the flyer for details of our forthcoming Year 5 discovery days coming up in July. For further information please ask your son/daughter's primary school or ring Park on 01282865200.

Hair and Beauty Showcase Event

Wed 21 June. 1-3pm

We invite you to bring groups of pupils interested in Hair and Beauty and staff from your school to visit our annual end of year showcase event at Nelson & Colne College

Rounders Round up

An amazing night of rounders for Park at the Pendle Schools Year 8 rounders finals. Park got off to a great start beating Pendle Vale, West Craven and Primet convincingly. Hannah, Lottie, Lexie, Imogen and Emilia all scored some great rounders and there was some awesome fielding from Esther, Sian, Scarlett and Charlotte. Jess kept everyone in order giving excellent instructions and words of encouragement. The next game against Fisher More was close - we were beaten by just half a rounder! Lexie scored some more amazing rounders and we are so grateful that she could play for us last minute! Another victory over Marsden Heights in the final game meant the overall winners came down to rounders scored.

Well done to all girls involved on a hot evening and special thanks to Rachel Beebe for the much-needed drinks and refreshments for the girls (and staff!)

Another trophy to add to our collection!

Celebrating Pride Month

Some super displays have been designed and created within our SEND department - huge thanks to students and staff who have played a part in these brilliant displays. They are fantastic!

Super Science for Year 6's

Trawden Primary School have thoroughly enjoyed some dissection action in their science lesson today with a visit from Mr Hicklin. Clair Clark (Year 6 teacher) wrote:

"What an incredible learning experience Year 6 have had this morning. The children were so interested in everything you taught them and in fact, were hanging on your every word. The way you explained the workings of the heart and lungs , including the key vocabulary, was so effective.

Here are some photos and some quotes from the children!

With thanks

Trawden

"Thanks for giving us a really exciting lesson. I liked how we got to feel and touch everything and see inside the heart and what which tube was which, like the aorta and the heart strings. I was expecting the heart to be delicate especially the strong but they were quite strong and the heart muscle was dense"
Max

"Thank you so much for coming to our class. Not only did I enjoy it but I was especially interested about the lungs. I didn't know that there was a tube, like a hoover nozzle. The trachea and bronchus. I look forward to seeing you in Year 7"
Molly

News just in: GCSE's are almost done!

..... Just the **food technology students** now to **cross the finish line on Tuesday 20th June**. The sports hall has been stood down and the exams officer has been gifted cup cakes to celebrate the end of another successful examination season.....!

The Year group return to school on Monday 19th June for our traditional **Leavers Assembly** and **Walk Out Procession**. They have been a fantastic Year group and we look forward to celebrating with them.
