

## Parents@Park

**The leavers Prom 2023. My oh my everyone brushed up well and looked dapper! Much fun was had by all.....**

As always we had the fabulous **Karen Clark of 5 Little Boys Photography** who captured the night brilliantly! For any families wanting pictures please do contact Karen via Facebook or her website for further details.

COLNE PARK  
HIGH SCHOOL

*Ambition.*

*Collaboration.*

*Respect.*

## Lineup updates

### **A flying start ...**

Students have been brilliant this week working with staff to continue to understand and embed this new routine into their school day. It is a fantastic sight seeing the whole school lined up listening to the same start of lesson reset and following the school expectations and living our school values together. As we said last week, the practice is the most important element so as to everyone is explicitly aware of the routines, expectations and behaviours.

To ensure absolute consistency and clarity, staff have been practising too....!

- Perfect uniform
- Present and Punctual
- Actively Engaged
- Prepared for learning
- Respect: First time, every time

## Proposed Strike Action

- [Please see here for a copy of the letter](#) emailed out earlier this week regarding planned strike action on Wednesday 5th and Friday 7th July 2023.

## Art Exhibition

Students, staff and families had a really enjoyable evening at the GCSE art exhibition this week - the artwork on display was simply stunning- it truly reflected hours and hours of hard work, focus and ambition. The evening was a wonderful celebration of artistic flair and showed just how talented our artists are.

Huge thanks to our Creative and Performing Arts Team who made the event possible and who guided, supported and nurtured our students through their Art GCSE course- it was so worth it team CPA!

*So many wonderful photos to be shared at a later date once GCSE marking and moderation window of appeal closes - a note to families that **NO IMAGES OF EXAMINED ARTWORK TO BE POSTED ON SOCIAL MEDIA AS PER LAST NIGHT'S AND PREVIOUSLY COMMUNICATED REQUEST.***

**For now I will leave you with a picture of the Exhibition Events Team and their flower arranging in vases made by Park students!**

## Burnley College Taster Day

**Mr Panaro Lead for Careers@Park writes:**

*What a proud moment seeing our Year 10 students embark on an unforgettable Taster Day at Burnley College, immersing themselves in a world of exciting opportunities and gaining valuable insights into a range of courses on offer. Let's dive into the highlights of this thrilling experience:*

**🎮 E-sports:** *The world of gaming took centre stage as our students delved into the realm of competitive electronic sports. They witnessed the passion and skill involved in this fast-growing industry, and some even got a taste of what it feels like to be a professional gamer. We hope no one got too carried away with virtual victories!*

**🔨 Construction:** *Aspiring builders took their first steps towards becoming master craftsmen as they tried their hands at some pointing. It was so pleasing to see how engaged the students were whilst learning this craft. Hopefully, we will have some reliable tradesman to call upon in the future!*

**⚽ Sports:** *Our budding athletes showcased their skills and discovered new sports during the Taster Day. From scoring goals to dribbling with finesse, our students left their mark on the field. It was a day filled with energy, teamwork, and a healthy dose of friendly competition.*

**🔍 Crime Stoppers:** *Young detectives-to-be experienced the intriguing world of crime investigation during their visit. They had the chance to explore forensic techniques, unravel mysteries, and uncover clues. Who knows, we might have inspired the next Sherlock Holmes or Miss Marple!*

*We are incredibly proud of our Year 10 students, not just for their active participation in the various activities but also for exemplifying our school values of respect, ambition, and collaboration throughout the visit. **The staff at Burnley College were full of praise for our students, commenting on their impeccable organisation and exemplary behaviour throughout the day. Well done, Team Park!***

*This immersive experience at Burnley College has undoubtedly given our students a taste of the exciting possibilities that lie ahead in their academic and career journeys. It's essential for them to explore different options and discover their passions to make informed choices for their future. As always, we thank you for your continuous support and encourage you to have meaningful conversations with your children about their experiences at Burnley College. Together, let's nurture their dreams and guide them towards a successful future.*

## Credits and Park Points Weekly Roundup!

Big well done to this week's top Park Point and Credit winners

The graphic features the school crest at the top left, which includes a flower, a leaf, and a castle, with the motto 'NIL SINE LABORE' below it. To the right of the crest, the school name 'COLNE PARK HIGH SCHOOL' is written in a large, green, serif font. Below the school name, the words 'Pupil of the Week' are written in a large, green, sans-serif font. In the center, the name 'Awarded to—Tia Connelly' is written in a black, italicized font. At the bottom center, there is a logo for 'The Best That We Can Be Seniors' featuring a colorful wave and the text 'The Best That We Can Be Seniors'. On the left side, there are two vertical banners: a yellow one with a griffin and the words 'Strength Griffin' and a green one with a dragon and the words 'Loyalty Dragon'. On the right side, there are two vertical banners: a blue one with a pegasus and the words 'Inspiration Pegasus' and a red one with a phoenix and the words 'Resilience Phoenix'.

## Year 10 Football Champions

Congratulations to our Year 10 Football team who finished the season as the Year 10 Pendle Champions. Winning the league for the two consecutive seasons.

The team played in a play off against Primet after both teams finished the season unbeaten (4 wins and 1 draw).

The final that took place at Fisher More finished **1-0 to Park** with a first half goal from captain **Connor Smith**.

In central defence both **Josh Morley** and **Rhys Howard** were strong against a talented Primet team. **Lewis Wilkinson** and **James Galloway** worked tirelessly at full back to support the team in both defence and attack.

The hard working midfield of **Bartosz Jagiello**, **Harvie Gibbs**, **Joshua Sims** and the impressive performance of **Harry Smith** ensured that Park dominated the game.

Centre forward **Charlie Sims** led from the front and continued to press and close down Primet and make it hard for them to pass the ball out. Charlie's pace in attack also gave Park the chance to break away and counter attack several times. But it was the match winner **Connor Smith** that made the difference with a low shot from the edge of the box in the first half.

In the later stages of the game talented goalkeeper **Alex Byrne** was alert to come off his line and deny the Primet threat.

### #HardWorkPaysOff

The U14 girls football team shone too in the recent Burnley FC tournament at Nelson and Colne College and produced a fantastic display to be crowned winners.

In the opening round of games the girls scored early to allow them to settle and play some excellent football. **Leah Harvey**, **Imogen Taylor** and **Isabelle Riley** rotated at the back and were unbeatable meaning goalkeeper **Lexie Tillotson did not have a shot to save**. Further up the pitch **Hannah Beebe**, **Lexie Phair**, **Lilly Forrest** and **Isla Holgate** threatened throughout and captain **Cyra-Jo Jackson** showed superb skills and footwork as we won our first 3 games without conceding.

After the break Leah replaced Lexie in goal as the run continued with 3 more wins without conceding a goal including a 6-0 victory over South Craven.

This led to the final against a Shuttleworth team who we had already beaten twice but that had improved over the afternoon. A great start saw us lead 2-0 early in the game but despite several chances we could not extend the lead. A goal in the final minute from Shuttleworth meant the final score the was 2-1 but there was no doubt that the girls fully deserved to be champions with a record of 7 wins from 7 games with 19 goals scored and only conceded.

**As winners the girls have been invited for a tour off Turf Moor which will take place at the start of the next school year.**

A fantastic performance from all the girls - Well done to all involved.

## Year 5 Taster Days

Year 5 students from our local schools have thoroughly enjoyed their taster sessions in school this week as part of Park High Discovery Days. In science students were testing household chemicals to see whether they were acidic, alkaline or neutral using a natural indicator before being wowed with the Rainbow Fizz Demonstration. They worked safely and collaborated brilliantly in their groups and it was a pleasure to have them!

Thanks to all the Park High student mentors who helped Year 5 children throughout their visits and shout out to Mrs Bridges for overseeing the Transition events and ensuring a plentiful supply of breaktime biscuits or all!

First Hand

# EXPERIENCES

## Dates for the Diary and further notices

- **Monday 3rd -Friday 7th July** - Year 10 Duke of Edinburgh groups out
- **Thursday 6th July** - KS3 Presentation evening
- **Wednesday 12th July** - Year 6 New Parents Induction evening
- **Thursday 13th July** -Sports Presentation Evening
- **Please note: Friday 21th July is an early finish - with students finishing at 12:20pm**
- For any interested families, please see the below flyer which may offer support within our local community as together we come together to understand the importance of good mental health and the need to focus on wellbeing. Renata is well known to the Park family  .

To be held at Trawden Community Centre, BB8 8RZ

## Mindfulness taster sessions

for families, children and adults  
offering a range of resources, tools and techniques to help  
support your emotional resilience and mental health.

The poster features a row of ten teal circles at the top, each containing a benefit: Lower Anxiety, Improve Sleep, Promote Calm, Build Self-Esteem, Develop Self-Confidence, Reduce Stress, Manage Moods and Emotions, Learn to Self-Soothe, and Learn how to Increase Brain Power. Below this, two large circular graphics represent the sessions. The left circle, titled 'relax Kids', shows children in a yoga-like pose and specifies '4pm - 4.45pm', 'Age 7+', and 'Parents welcome to stay and take part'. The right circle, titled 'Adult Mindfulness', shows a person meditating and specifies '5pm - 6pm' and 'Adults class'. A central teal circle states '£5 per person\*'. A teal banner below the circles reads '\*children and adults from the same family only pay 1 ticket.' At the bottom, a dark grey banner says 'Monday 3rd, 10th and 17th July, 2023'. A small circular inset shows a child in a purple 'relax Kids' t-shirt.
