

Parents@Park

Term end has arrived!

Wow what a term! It has been a busy, it has been vibrant and it has been industrious but most importantly it has been a truly happy and fun one.... The Park family really does deserve a rest, recharge and time with family and loved ones. Together as a school we have worked hard to maintain our routines and expectations to provide a platform for each and every one of us to focus on our learning and development journey. We continue to be proud of our students - they are ambitious, they are respectful and they join together to create a wonderful school which they are proud to be a part of.

Today we have had a visit from Santa, who delivered choccies and treats out and about around school. The students reported that Santa was on good form, followed the one way system but did not look fully prepared for learning..... as he was missing his equipment (and his sleigh) Students have also enjoyed end of term SPA assemblies celebrating the success, progress and achievements of students in each house. I think it is fair to see the theme was chocolate!

There were lots of smiles and cheers as we reflected on the hard work of the term.

1 - Dr Farry looks happier with the wardrobe twinning than Mr Allen

2 - Declan Lister of Y11 treating the staff and students to some festive tunes over lunch. As always the much adored and legend that is Debs was very happy to be giving it her all with the students!

3 - The students of Dragon E took the decision that instead of getting Secret Santa Gifts for each other they would collect donations for those less fortunate than themselves.

*A small group of students then delivered their donations to Open Door in Colne for distribution to those in need. #Kindness
#givingtoothers #thoughtfulness*

Rewarding Success

This week we not only celebrate the **weekly Park point and Pupil of the Week winners** but also our **Head Teacher Golden Letter winners**. Staff really enjoy working with students **who continually go above and beyond in school - embracing the hard work, and grasping every opportunity to ensure they can grow as individuals.**

Congratulations to all our winners and shout out to Mr Curren who keeps his beady eyes on the credit totals to ensure students are celebrated in school!

Don't forget
parents'
evening!

- A reminder of our '**Prepared for Learning**' expectation - the below equipment is needed every lesson daily - daily checks will occur and January, students will be sanctioned for missing items following a three week soft launch to support students in knowing what is expected and getting into a routine to ensure success!

4 - For every lesson, the expectation is this!

- At Park, we firmly believe that all students should be provided with meaningful encounters with employers, Further and Higher educational settings and opportunities to experience a broad range of employment settings. Through the strong links with Inspira and the support of Gareth Metcalfe (Enterprise Advisor), we are broadening the Careers offer within Park to offer frequent encounters with employers across a wider timescale, replacing a condensed Work Experience Week, where a student encounters only one work place setting. We look forward to continuing to collaborate with the colleges, Universities and employers from across the county and the armed forces. Thank you to all the employers and Colleges that have contributed to the progress of our students this Autumn term. Merry Christmas from the Careers Team at Park.

Diary Dates

That's it for this year- Parents@Park will return in the new year!

May I take this opportunity to thank our families for all their support over the last year. Have fantastic festive break with family and loved ones and we look forward to welcoming students back on Tuesday January 9th 2024.
