

Parents@Park

So here we are already at the mid point of the term. As always, the half term has been a fun and busy term with lots of hard work achieved.

Students continue to wear their uniform with pride - thank you to families for helping us to maintain these exceptionally high standards set by our students. There are some reminders needed so that families can use the half term break to reset any uniform modifications that students may have made(!) so as to ensure the consistent application of our full uniform policy:

1. Footwear Plain black, flat shoes only. Canvas material, trainers, and boots are not allowed and shoes must not have a logo. Students failing to meet these expectations with footwear are loaned some school shoes from our uniform hire.

2. Hairstyles Pupils with long hair must ensure that this does not impede their vision, cover their face or provide a health and safety risk. Long hair must be tied up during practical lessons, e.g. during PE. Student hairstyles should be sensible.

- High fashion styles or unnatural colours are not permitted in school.
- Tramlines or any other designs cut into the hair are not allowed

If in any doubt about the style please contact the Director of House beforehand.

May we take this opportunity to thank all of our families for their ongoing support with upholding the school's high standards and expectations. Such positive links between our families and school

helps to ensure we can work together to ensure the very best for our students. Have a great half term break - school re opens on Monday 19th February 2024.

Pennine Champions Update

Year 7 Endangered Animals project

Well done to our Year 7s who have studied Endangered Animals over the past half term as part of their Gold Pennine Champions Award. As a form they have explored the 10 most endangered species on the planet and learnt about conservation and how it drives to help stop extinction. Year 7 researched into one of our closest zoos, Chester Zoo, understanding how they prioritise conservation for the most highly threatened animal populations. Most of Year 7 have now successfully completed their Environment and Community section of their Gold Pennine Champions Award, a huge achievement and a step closer to achieving their Gold award by the end of this academic year. Keep up the hard work and commitment Year 7! #Ambition #Respect #Collaboration
