

Parents@Park

Welcome to the summer term run of weekly **Parents@Park's - the place to be for all things Park!**

We pick up from where we left off last term with pace, purpose and maximising learning time in preparation for summer term examinations and end of term assessments.

May we thank you for your support with school uniform. Students are looking really smart. Just a gentle reminder, however, that hoodies and non school uniform jumpers/sweaters are not allowed under blazersso if you see them sneaking out of your front doors in a morning, please do challenge their removal for safe keeping at home!

Year 11 information share

Year 11 are focused, determined and working super hard as we enter the final few weeks before examinations start. Huge numbers of Year 11 students were on site over the Easter break working hard preparing for their GCSE's with staff. It was great to see so many committed to putting the work in and we are sure students will reap the rewards.

Information Share

- April's Safeguarding share - be aware, be informed. As always if you have any concerns or would like guidance, please do not hesitate to contact school for further support.

Keeping children safe online

A Parent's Guide to Cyberbullying

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
