

## Parents@Park

**Parents@Park - the place to be for all things Park!**

And we are off - **Parents@Park is back!**

Firstly may I take this opportunity to welcome our new Year 7 parents, carers and families into the Park High team. Term is now well and truly underway (the sunshine has finally decided to join us just as we are back to school) and students are off to a flying and smiling start! The start of term has been extremely smooth and successful and staff are really looking forwards to all that this academic year will bring.

Thanks to our families for supporting our **Perfect Uniform** learning habit including **no phones to be seen on school site** - students have accepted and adapted really well to this new learning habit and we will now see the impact that it will have on our school culture with the focus being on maximising learning time and outcomes. Our new students certainly look like they have settled into secondary school life with ease - there have been lots of beaming smiles around school and students are happy to be back in the classroom focusing on their studies.

Finally, the school is looking fantastic thanks to the amazing work of the premises team over summer- new flooring throughout, a whole new reception and attendance hub, painting throughout, replaced skirting boards, lighting, and new doors in most zones. They have been busy and we really appreciate how much effort has gone into getting the school ready to open the doors to students.

## News and Information share

- Parents@Park is our weekly newsletter sent out via email, posted on our website and onto Facebook every Friday after school. Please note, **Parents@Park remains live and static from point of circulation on a Friday evening until the email notification the following week.** It is a live web page so the email serves as the notification that the bulletin is complete and ready to read. All previous Parents@Park editions are [stored here ordered by date](#) so that you can track back and revisit previously shared information.
- Please also note that Credit, Misdemeanours and Attendance are all available on MCAS, but most importantly Credit Certificates. Don't forget to log on so you can be informed, involved and up to date with how your child is getting on, on a daily basis.

- Just a reminder that Thursday 12th September is photo day for Years 7, 8, 9 &10. Best uniform, hair brushed and biggest smile is the order of the day!

## Extra Curricular & Clubs

## Thank You!

Students of the SEND department would like to thank the Robert Windle's Trust Foundation for their kind donation of £200 which was used to purchase new outdoor play equipment. After negotiation with regular users of The Sanctuary (Park's SEND garden), the students decided that they would like two new netball posts, a badminton set with shuttlecocks, footballs and small soft balls so that they could play tennis. The photograph shows two of our students with some of the equipment purchased. All of the students who access the garden at social times were thrilled to receive the new

equipment this week. Special mention goes to Dylan, in Year 10, who helped to assemble the netball posts.
