

Parents@Park - the place to be for all things Park!

The past two weeks at Park have been filled with Year 10 mock assessments, and students have once again demonstrated exceptional dedication, striving to perform at their best. Learning walks have highlighted how, after receiving teacher feedback on their completed assessments, students have actively engaged in constructive discussions to refine their understanding. By reviewing their work, addressing misconceptions, and collaborating to strengthen their knowledge, they are taking valuable steps toward continuous improvement and reaching their full potential. Their focus and commitment during exams have been outstanding, creating a vibrant and motivated learning atmosphere throughout the school.

After half term, it is the turn of Year 11's to shine as they begin their mocks.

Students continue to wear their uniform with pride - thank you to families for helping us to maintain these exceptionally high standards set by our students. May we take this opportunity to thank all of our families for their ongoing support with upholding the school's high standards and expectations. Such positive links between our families and school helps to ensure we can work together to ensure the very best for our students.

Sports Round-up

Our fabulous Sports Leaders have had a busy week

Our Sports Leaders have had a busy and rewarding week, showcasing their leadership, and fostering the school values while supporting local primary school events.

◆ Multi-Skills Festival

On Wednesday, our leaders hosted and delivered an action-packed Multi-Skills Festival, welcoming pupils from four primary schools. The young participants took part in a variety of activities designed to enhance their agility, balance, coordination, and teamwork. Our leaders guided them through each station, offering encouragement and ensuring a fun and inclusive atmosphere.

◆ Tri-Golf Event

On Friday they stepped up again to lead an exciting Tri-Golf event, this time with eight primary schools in attendance. The event introduced pupils to the fundamentals of golf in a fun and engaging way, with challenges focusing on precision, control, and technique. Our leaders provided demonstrations, motivation, and support, helping the children build their confidence and enjoy the experience.

A huge well done to our Sports Leaders for their dedication and enthusiasm – they are fantastic role models for younger students and there are more events to come for the Sports Leaders!

U16 girls doubles badminton

Last Tuesday evening saw the U16 girls doubles Pendle badminton tournament hosted at Park.

We had representation from Isla Holgate, Isabelle Reilly, Phoebe Law, Lexi Tillotson, Lottie Hesketh, Esther Davies, Imogen Taylor and Hannah Beebe.

There were some fantastic displays of talent within several games during the initial rounds of play.

After some well fought rallies, Imogen and Hannah were the winners of their group which saw them reach the semi-finals against Primet opponents. Park won this game because of their excellent communication skills and teamwork. Imogen and Hannah then had to face their Fisher More opponents in the final. After falling behind in the first few points, they dug deep and played some rallies which required both stamina and determination to outwit their opponents for the remainder of the match. This resulted in a deserving victory for Imogen and Hannah who were crowned U16 2025 Pendle badminton champions. A fantastic achievement. Congratulations and well done to all the girls!

The final tournament of the year was the U14 mixed doubles.

The U14 mixed doubles was held at Park on Monday after school. We had 4 pairings with Ava Garner and Josh Lord, Kara Turner and Sam Carr, Martha Turner and Kamil Lee and Koby Spencer and Scarlett Bannister representing Park.

In the group stages Ava and Josh won their group and the other 3 pairs were only 1 win away from reaching the semi finals.

Ava and Josh breezed quickly through their semi-final to qualify for the final. In the final they made a slow start and were behind 8-3 but showed some great resilience to remain in the contest and get back within a couple of points on a number of occasions only to see their opponents stretch their lead again. In the end they unfortunately lost out 15-12 to the pair from Primet but a great effort. Well done to all the pupils involved.

Attendance Consultation Evening

Due to recent changes in the law and Lancashire County Council's Code of Conduct, we are changing the attendance policy for students who have attendance below 90%. To support our parents through this period of change, we will be hosting a consultation evening, at school, on Wednesday 12th February 2025, at 6pm, to discuss these updates and provide you with an opportunity to ask questions about the changes. [Consultation Evening Letter](#)

Changes to Attendance Policy

- Due to recent changes in the law and Lancashire County Council's code of conduct; we are changing the attendance policy for students who have attendance below 90%. This is classed as persistently absent. Students whose attendance remains above 90% the normal attendance procedures apply.
- **When a pupil's attendance falls below 90%** a letter will be sent to parents informing them that their absences will no longer be authorised without supporting evidence.
- **When a pupil with attendance below 90% reaches 6 unauthorised sessions of absence**, a letter will be sent to parents informing them they may be at risk of a fixed penalty notice.
- **When a pupil with attendance below 90% reaches 10 unauthorised sessions of absence**, a final letter will be sent to parents informing them that a two week 'notice to improve' has been initiated. **If there is no improvement a legal intervention will be requested from Lancashire County Council. Parents will be required to attend a meeting with school where an attendance contract will be agreed. If pupil attendance does not improve after this time, a further legal intervention may be required from Lancashire County Council.**

If at any point parents require assistance or support in relation to their child's attendance, we encourage them to contact the attendance team.

Children's Mental Health Week

Following the recent Mental Health Week, please see the below information share for useful links and resources.

This year [Children's Mental Health Week](#) takes place from 3 February - 9 February.

Children's Mental Health Week was launched to give a voice to all children and young people in the UK

It is all about helping young people speak up and feel empowered to talk about mental health.

Each year the week has a theme, and [this year's](#) is 'Know yourself, Grow yourself' and is all about encouraging you to build self-awareness.

What is Mental Health?

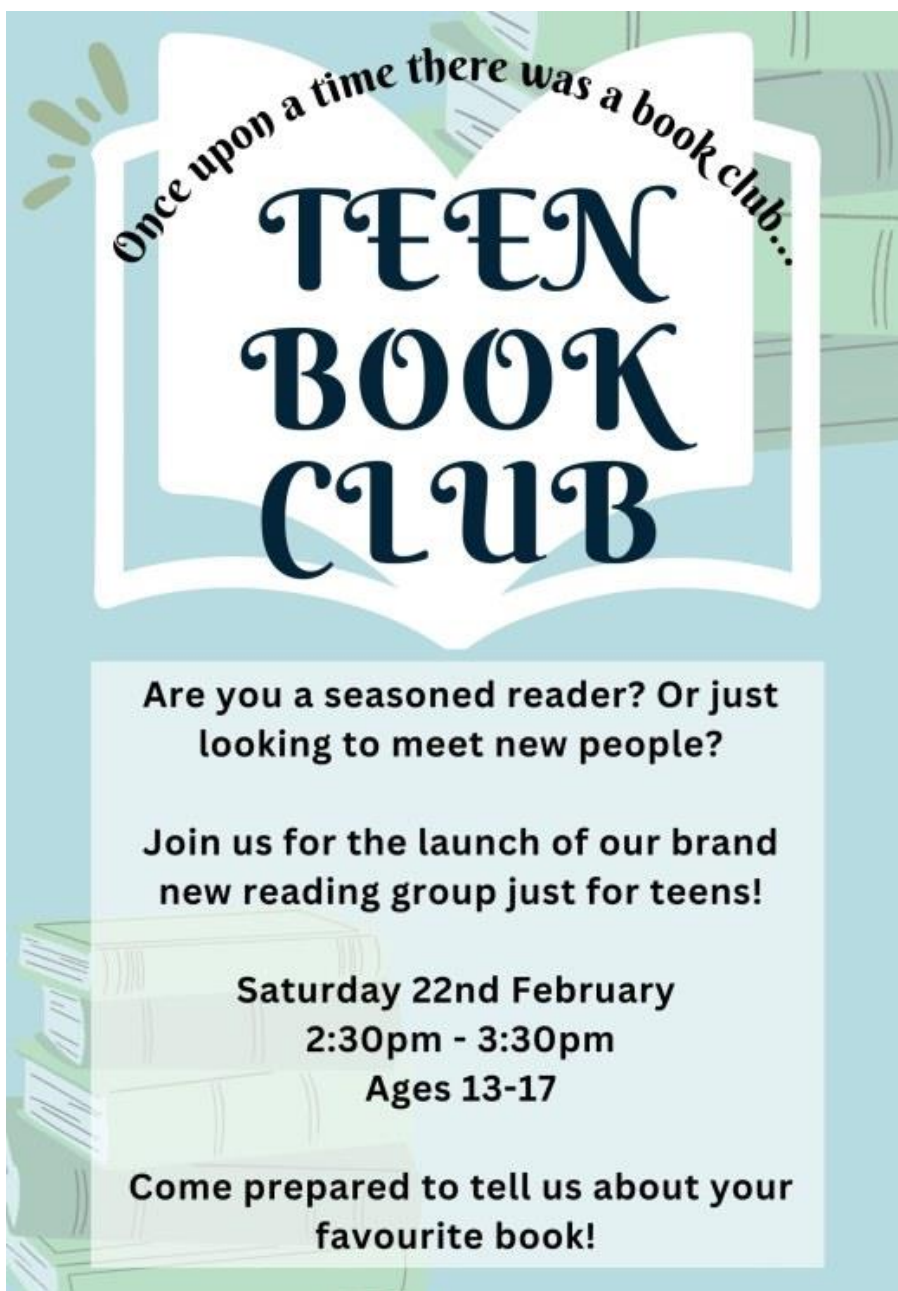

Mental health is about how we think, feel and act. Just like physical health, we all have it and we need to take care of it.

- With good mental health, we can think positively, feel confident and act calmly.
- With poor mental health, we might find that the way we're thinking, feeling or acting becomes difficult to cope with. We might not enjoy things we used to like doing. We might feel sad or angry for longer than usual. Or we might feel like we can't control how we feel or behave.

How can I promote positive Mental Health?

WHY CHOOSE US

Here at CYAG we are able to offer a range of training opportunities to suit the needs of individuals and the needs of your setting. We are committed to the Forest School ethos and want to share our knowledge and experiences with you.

We run accredited level 2 Forest School Assistant and level 3 Forest School Leader training courses.

Our experienced and trained Forest School practitioners, who are DBS checked and trained in outdoor first aid, plan and deliver programs across various venues with diverse groups of people.

FOREST SCHOOL TRAINING
Continuous Professional Development for Forest School

WHAT IS FOREST SCHOOL?

Forest School is a holistic, child-centered approach to learning, which takes place in an outdoor environment, such as a woodland. Children and young people are given opportunities to achieve, whilst developing their confidence and self-esteem, through practical hands on experiences outdoors.

This is important because it provides opportunities for safe risk taking, such as using tools and working with fires, whilst supporting them to develop their social, emotional and physical skills at a pace that suits the individual.

ABOUT US

Hi, my name is Karen and I am a fully qualified Level 4 Forest School leader and trainer. I ran Marsden Park Forest School in Nelson, delivering Forest School sessions to local nurseries, school and colleges. I have delivered Forest School training to over 40 candidates who have all passed their qualification. Currently I regularly plan and deliver Forest School sessions with young people at Colne Youth Action Group.

Hi, my name is Stacey and I am a fully qualified level 3 Forest School Leader. I completed my training three years ago and have never looked back. I have planned and delivered forest school sessions for both mainstream and specialist schools and now I run them for Colne Youth Action Group. I love everything about Forest School and love to see young people thrive in outdoor environments.
