

Parents@Park - the place to be for all things Park!

From English trips, D of E, sports matches, study skills and a Personal Development day - it has been a busy and hugely enjoyable week on site with lots of enriching activities for students beyond the walls of the classroom. With two more weeks in school before the Easter break, students remain focused and driven in lessons and keen to maximise all aspects of life at Park.

Have a lovely weekend break before we hit the ground running next week once again.

Notices, news and updates

Dates for the Diary

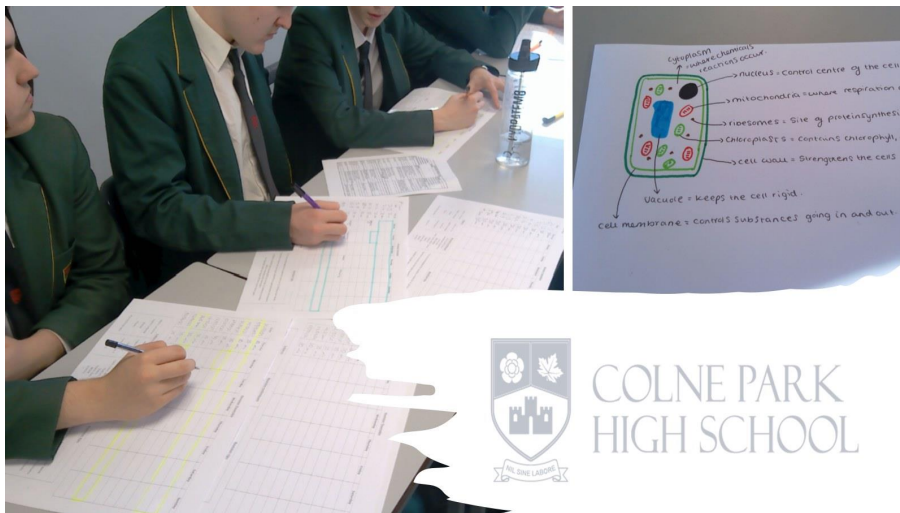

- **Wednesday 2nd April - Year 11 Parents Evening, please see email**

- **Friday 4th April - school finishes for Easter Holidays**

PD Day

Our 4th Personal Development (PD) Day was a tremendous success, filled with a variety of enriching activities for all year groups.

Year 11: Focused on revision study skills, our dedicated Maths, English, and Science teachers provided invaluable support to help students prepare for their upcoming GCSEs. Pupils learned a range of effective revision techniques to use at home, ensuring they are well-equipped for their exams.

Huge thanks to students and staff for making this an enjoyable and successful event.

The Year 9 Duke of Edinburgh walk booked the sunshine which helped secure smiles and success too.

Year 10 took part in a successful day meeting local employers. Students were able to explore different opportunities, finding out key information which helped them to widen their knowledge regarding their future career opportunities. A big thank you to our guests; The Army, RAF, Media Village, Morrisons and the Eric Wright group. They were all fantastic, providing our students with key information.

Year 7 pupils had an amazing day learning about the Holi Festival. This enhanced their spiritual and cultural knowledge and gave them an understanding of how Hindus celebrate this festival. Activities during the day included learning about Holi, learning different Indian dance styles, designing T-shirts for the Colour Run, and looking at the meaning behind Henna Tattoos and of course the main event: The Colour Run. The sun was shining bright as the pupils set off to complete the colour run and throw powdered paint on each other. A massive thank you goes out to all of the members of staff involved in making this an enormous success for the pupils

Year 10 Workplace Encounter

Thank you, Stephen, from Engineering & Foundry Supplies, for taking in a workplace encounter on Tuesday. Our student really enjoyed their day working in different areas of the company.

[Home - Engineering & Foundry Supplies Ltd](#)

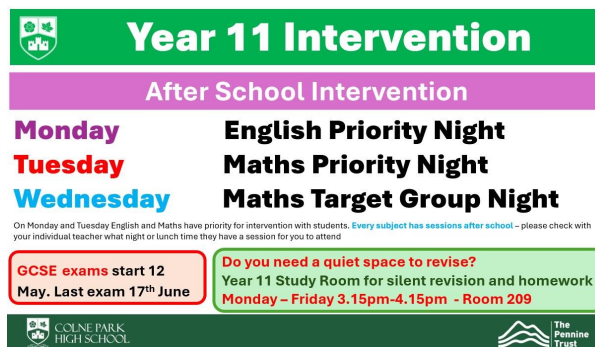

Thank you to Park Primary School for hosting seven of our year 10 students as part of their workplace encounter on PD day. Our students thoroughly enjoyed their time and were able to take part in numerous activities. Staff at Park got in touch to let us know how amazing our students were: 'Every student dressed really smartly, worked really hard and was a credit to Park High school!
