

Parents@Park - the place to be for all things Park!

As the sun sets on the penultimate week of the spring term, staff are busily preparing for SPA (success, progress and achievement) assemblies to celebrate the positive learning and engagement of our students throughout this term. It is hard to believe another term has flown by but as the saying goes: "time flies when you are having fun". This week has seen lots of sporting and other extra curricular success for Park students and its great to see so many students fully engaging with all aspects of school life.

Thank you!

I wanted to take this opportunity to thank you for your continued support with our school expectations regarding uniform, make up and mobile phones.

As we approach the Easter holidays, I would like to send a brief reminder about these expectations as we would like to avoid any issues on our return.

If any students choose to have cosmetic enhancements during the holidays for example, false eye-lashes or false nails, these will need to be removed before coming back into school. In addition, as we are hopefully approaching warmer weather, some students may consider the use of false tan. Please can you remind them that this is not suitable and does not form part of our uniform expectations.

Full details of the school expectations regarding mobile phones, make-up and uniform will be available in Parents@Park from 4th April 2025.

I hope you have a lovely Easter break and we look forward to seeing your son/ daughter on the 22nd April 2025.

Learning Habits

The school's learning habits were established to promote a positive culture and consistent routines that support learning. Clear systems, routines, and expectations have significantly enhanced motivation, achievement, and success across academic, pastoral, and extracurricular areas. Students have embraced these habits, enriching the learning environment and enabling all members to maximise opportunities and enjoy school life.

Learning Habits are: Present & Punctual, Perfect Uniform, Prepared for Learning, Actively Engaged & Respect: First time every time.

Year 7 Girls Reach County Final

A thrilling match saw our Year 7 girls' football team secure their place in the Lancashire Cup Final after a nail-biting penalty shootout against Clitheroe Royal Grammar School.

The game started with Park taking an early lead, thanks to a well-placed goal from Heidi. The team showed great determination and skill throughout, working together to create chances and defend strongly. The girls took control of the game and showed plenty of attacking threat as they were trying to get the second goal. However, Clitheroe Grammar equalised in the last ten minutes after sustained pressure, setting the stage for a dramatic conclusion.

With the score level at full time, the match went to penalties. Madison and Heidi both kept their composure to score their spot-kicks with confidence. Clitheroe had missed their first penalty, and Pola made a crucial save to deny Clitheroe's third penalty, showcasing her resilience under pressure and helping Park to win on penalties. The entire team displayed

outstanding teamwork and determination, demonstrating their hard work and training throughout the season.

The victory was met with celebrations from the players and Mr Morrison. The girls have shown great spirit and skill throughout the competition, and we are incredibly proud of their achievement.

We look forward to supporting them in the final at Darwen Football Club on 22nd May – well done, girls!

Sponsor Needed

Girls football is the biggest growing sport at Park right now. This year we have entered teams in Pendle tournaments, 4 Lancashire Cup competitions and 4 national competitions with over 50 girls representing school. We have had some success with all teams, not least the Year 7 team who are through to the Lancashire Cup final.

We are looking for anyone who would like to sponsor a set of shirts for one school teams. If anyone is interested please contact Mr Orme at school.

County Indoor Athletics

After qualifying at Pendle Schools Sports Hall athletics, 7 year 8 boys travelled to Blackpool for the Lancashire County Finals on Wednesday competing against 14 other schools in the county in a range of events including sprints, throws, jumps and relay races. The field events got off to a fantastic start with Iva winning both of his events, Shawn Apinoko put in a fantastic jump and Cobie Storey flying over the speed bounce!

The first race was the obstacle relay race which was a test of speed, agility and strength in which our boys came second in the field getting us off to a great start. Following this, John Collinson and Shawn Apinoko competed in the 2 lap race with John finishing second with his incredible speed. Iva Mfecane stepped in for Jacob Horsefield in the 6 lap race when he was struck down with injury. Iva dug deep and put in a great effort right up to the finish line.

Cobie Storey and Riley Warren collaborated to compete in the 8 lap paarlauf, showing excellent determination and strength in such a difficult event. During the final race, John Collinson, Jacob Horsefield and Iva Mfecane ran ambitiously throughout the race. John got Park off to a fantastic start but a hiccup on the third change over left the boys trailing. However, Brody found some speed and caught up to the final change over handing over to Jacob Horsefield. Jacob brought us through to triumph coming first in the relay race! Congratulations to the Year 8 boys Park team gaining 6th place, a fantastic achievement!!

Attendance, T1 Easter Reward Event

The poster features a row of colorful Easter eggs at the top, each with a letter to spell out 'EASTER EGG HUNT'. Below this, a purple banner reads 'Thursday 3rd April'. A list of periods and year groups is provided: Period 1 - Year 7, Period 2 - Year 8, Period 3 - Year 9, and Period 5 - Year 10/11. A red box with an arrow pointing to Period 3 states 'Year 9 - must go to line ups first'. A green starburst contains '97%+'. Text at the bottom reads: 'Invitations for the Easter T1 Event will be coming out Tuesday 1st April via form tutors. Remember you will be competing in teams of 4 on the day of the reward. So, team up with students that are good at problem solving! The current forecast is for good weather, however in case of rain, you may need to bring a change of shoes and a coat.'
