

Parents@Park - the place to be for all things Park!

It has been a busy week of examinations this week - and dare I say so far, so good! Students have approached each exam with the maturity and diligence that we are so used to them showing - the Park High School journey trains and prepares students for tackling examinations and as such students have really good exam preparation and completion habits in place enabling them to go in, focus and achieve. These routines and habits, coupled with pastoral care and expertly made rounds of pre exam breakfast toast are

ensuring our students continue to shine. Aside from examinations it has been an action packed week from field trips to sports events, revision sessions to DofE preparations- it is all going on as we drive forwards towards the half term break.

Notices and information share

Success in the sunshine for girls representing

Heidi Robinson and Lottie Rae Smith (year 7) have recently played in the Lancashire FA County Cup Final as part of the Accrington Stanley Women's under 13's team at Leyland FA County ground. Despite playing up an age group, the girls performed with skill and

expertise way beyond their years, supporting the team to to take the win and come out as champions with an impressive 4-0 win. What an experience and what a win! Well done girls!

Students with Medical Needs Information

As we continue to work alongside healthcare professionals and as part of our continued drive to ensure we support our students with medical needs, we wanted to share the following information regarding care plans.

- If a child requires an EpiPen in school, a care plan needs to be completed by the health professional prescribing the pen. This would normally be a specialist/hospital doctor/allergy clinic. School nurses are not able to complete care plans for anaphylaxis.
- Any child with Epilepsy who is prescribed rescue medication, i.e. buccal midazolam, should have a care plan completed by the Epilepsy Team.

- Asthma care plans can be completed by the Asthma Specialist Nurses if one is required.
- Any child diagnosed with Diabetes will have a care plan completed by the Paediatric Diabetic Specialist Team, who can also provide training in school if this is needed.
- As regards care plans for other medical conditions, if there is a specialist team involved, they would be best placed to complete the care plan. Otherwise care plans can be completed by school in consultation with parents.

If you have any further questions or would like to up-date your son/ daughter's medical information, please do not hesitate to contact Mrs Amanda Vickery;
avickery@parkhigh.penninetrust.co.uk.

Thank you!

A big thank you to Mr Beebe and the Asdan group, for their hard work tidying up the school gardens. Also a massive thank you to John Whiteside, Tree Surgeon for the donation of chippings and LBS Ltd for the donation of compost.

Home-School Transport- Season Ticket Renewals and New Applicants academic year 25/26

Your school may be served by one or more county council contracted school bus services. The county council School Transport Team have asked us to share the following information:

- For children who are not eligible for Home-to-School transport assistance, it is a parent/carer's responsibility to get their child to school. However, where there is spare capacity on the school buses, Lancashire County Council offer the facility for

parents/carers to purchase a discounted annual season ticket. Spaces are limited and allocated on a first come, first served basis. The county council will not provide extra services for non-statutory pupils.

- Season ticket renewals – The county council has just begun the renewal process for next academic year (25/26). This means that those who currently hold season tickets have been invited to renew their tickets for next year. We advise renewals to be returned by 1st June. The process of re-applying is done using the paper application form sent to the current user in the post. Parents should be reminded that if they haven't received their child's renewal form to email the School Transport Team: schooltransport@lancashire.gov.uk
- New applicants - From 1st June, parents/carers can make an online application for a season ticket pack for 25/26 via the following link: [School bus season tickets - Lancashire County Council](#). The packs are dispatched from July onwards. Please be advised it can take 15 working days from requesting the season ticket application pack. Once application packs are received by parent/carers, they must be completed and returned to the county council as directed.

Please note that the terms and conditions of using the school bus service state that when a student boards the bus, they must either present the driver with a valid pass/season ticket or pay the bus fare. Some of the county council's school bus services operate a 'pass only' policy, therefore any late applications for season tickets may not receive their pass for the start of the 25/26 academic year and will not be able to board the bus until they can show a valid pass/season ticket.

To plan your child's journey please visit: [Plan Your Journey | Traveline](#) or for other useful information please visit the county councils website: [Schools - Lancashire County Council](#).

Duke of Edinburgh - Year 9

A message for the parents of Year 9

Thank you for all your support with your child's participation in the Duke of Edinburgh Bronze Award. Before their expedition in late June/July, please [complete this form](#) to provide permission and further information and ensure participation.

For any further concerns, please contact Mr. Park at jpark@parkhigh.penninetrust.org

More information will be given about the expedition on **Parents@Park** later this term.

Prom Dresses - Pendle Hippodrome

Pendle Hippodrome Wardrobe team would like to invite Year 11 students to the Hippodrome to hire dresses for the forthcoming prom. There is an excellent selection of prom and evening dresses available!

The Hippodrome team go on to add *"We realised this is very late and we've never done it before, but it may help some who can't afford to pay much for a prom dress. It will be £20 per dress, take on the day and return after the prom. We won't be doing any alterations, they must arrange this themselves"*.

The dates will be Saturdays 24th and 31st May from 10am to 12 noon.
