

Parents@Park - the place to be for all things Park!

Years 7,8 and 9 students are busy preparing for and sitting summer assessment completion in the coming weeks - this will allow consolidation on progress and learning made this academic year. Our students have applied themselves brilliantly and, coupled with independent study and revision, should be ready to shine! Verbal, written and whole class feedback will follow as teachers mark and then unpick the assessments with students. Year 11 GCSE's and Year 10 mock examinations continue to go well with students continuing to show determination, resilience and commitment.

In between hard work in the classrooms and exam hall, we have had students out on DofE (all navigating themselves back to school safely!), journalism clubs, career clubs, reading groups and lots of sports on offer. A wonderful first week of summer term 2 on site despite the unpredictable (less than summer like) weather!

Dates for the Diary

- Parents and Carers please note the amendment to Teacher Training Days for 2025-26. They are as follows: Tuesday 26 August 2025 Friday 26 September 2025 Monday 05 January 2026 Tuesday 06 January 2026 Friday 16 June 2026 All term dates and training days are available on our website.

- **Friday 11th July - Sports Day, details to follow**
- **Monday 14th & Tuesday 15th July - Duke of Edinburgh Expedition**

Notices and information share

'Mrs Passerini is super proud of her creative writers!

We entered a national writing competition via Young Writers called Grim Tales & were required to write a Twisted Tale with less than 100 words. They smashed it and are all going to be published authors. **Well done to Jordan, Felix, Lexi and Rennie.** #proudtobepark Anybody else who loves to write creatively and enter national competitions come along to 204 on a Thursday after school

Building Bridges Update

This year, the pupils completing Building Bridges have had some exciting opportunities with some pupils from Marsden Heights. Year 8 pupils have been planning sessions on British Values, Different Cultures and Discrimination, which they will be delivering to some of the local primary schools. This included a visit to Colne Town Hall. (Matteo had a fabulous time - see the picture)

On Tuesday, year 9 pupils competed for the opportunity to fund a community project on community cohesion. This will be launched on Tuesday 17th June (Location to be confirmed). A massive shout out to Mason H and Akio J whose group won the bid and became leaders in the group to launch their vision!

SMSC (Spiritual, Moral, Social and Cultural) Weekly Update:

SMSC Vision: At Colne Park High School the spiritual, moral, social and cultural elements of a student's education is crucial to their development as an individual. We enable our pupils to take their rightful place in our community as a local, national, and global citizen. Through SMSC, we ensure that pupils are prepared for life in modern Britain, fostering a meaningful understanding of their world. Our curriculum supports them to develop an informed and balanced view on world events, beliefs and values of others.

This week, through Assemblies, we have been exploring the importance of Volunteering and the benefits of volunteering, aligning this with our core value of Collaboration.

As a school, we take pride in supporting all students in embracing volunteering opportunities as we believe that all Park High students can be the positive change for their community.

We encourage this through Personal Development days, D of E Bronze and Silver, Pennine Champions, Ambassador and leadership roles within school.

We are looking to further develop the range of volunteering opportunities available to our students and we are seeking your support. We are collating a bank of charities, organisations and community projects that our students could be involved with. Your support is invaluable in empowering our students to make a positive contribution and transform their community.

If you feel you could provide any opportunities and you are happy for our students to volunteer their time over summer, please can you complete the expression of interest form.

[Community Collaboration expression of Interest form](#)

Our reflection quote for this week is: "We make a living by what we get, but we make a life by what we give" Winston Churchill
