Parents@Park

Parents@Park is back - the place to be for all things Park!

Welcome to this week's edition of Parents@Park. The first full week is complete; timetables are in full-swing and learning is at the heart of what we do. There has been a real buzz around the school as staff have been eagerly anticipating their new classes and students have shown great focus in starting the year well. A reminder that our annual Open Evening takes place on Thursday 18th September 5.30-8.30pm. We are excited to see members of the community and prospective students in what is shaping up to be a great evening full of learning activities.

Prefect Leadership

On Wednesday 3rd September, 40 prefects attended Nelson & Colne College to undertake prefect leadership training. Students found the sessions insightful and have learnt key skills in leadership and core values. Thank you to the team at Nelson & Colne College for delivering the sessions and we are excited to see our Student Leadership Team in action throughout the year.

Celebrating Success!

Present & Punctual

Changes to Late Gate

As we all know being Present & Punctual is a vital component of students' happiness and success at school. To support punctuality, we are making slight changes to our morning procedures. These changes will start from Monday 1st September 2025.

Students still need to be on the school site for 8:38am and in form for 8:40am. Students will still receive a late mark if they come through the school gate after 8.38am. However, the school gate will now shut at 8:40am and students will no longer be able to access school through this gate.

After 8:40am, students will enter school through the Intervention Centre (the entrance is up the external stairs next to late gate). This is to reduce any disruption for students in form at the start of the day and to enable the best start for everyone.

Students who are late will continue to be supported as necessary, for example with equipment & uniform checks before being sent to form. Students who arrive at school after 8:40am will continue to be issued with a late mark.

If a student is entering the school building between 8:40am and 10:00am they must come through the Intervention Centre. For students returning from external appointments after 10am, students are able to enter school using Reception.

Morning registers close at 9:10am. After this time, they will not get their morning mark. This has a negative impact on their attendance. Therefore, if you are organising appointments during the day, can you please try and make sure students are in before this time and are picked up after they have been marked in present at school.

Attendance

As you will be aware attendance is inextricably linked to achievement and well-being at school. The minimum expected attendance is 95% which equates to missing 9 days/45

lessons. Therefore, please can you check your child’s attendance on MCAS and make sure they are always above this percentage. Please contact the school if you are struggling to help them meet this minimum expectation. Your child will have a weekly update on Monday with a figure for their overall attendance for the year. You will also receive a weekly e-mail with their attendance for your own information.
