

Dear Parents/Carers and Students,

We are delighted to be able to confirm that we can now offer an onsite transition day for our new Year 7 students on **Thursday 24<sup>th</sup> June 2021 where they will be able to join us for the full day**. During this time, students will be able to familiarise themselves with the Park High School building and school routines, meet their **new Director of House\*** and ask as many questions about life in secondary school as they can fit in! In addition, students will be able to meet other members of the Class of 2026 as well as current Park students and staff.

\*In preparation for this event, **students will receive a letter in the post** from their new Director of House which will confirm which House they will be joining.... Not long to wait until the big reveal!!!

### On Thursday 24<sup>th</sup> June:

- Arrival time is 9.00am - students to arrive via the main school gates where they will be met and directed by Park staff and prefects.
- Clothing and equipment - Students need to be in **primary school uniform** but wearing trainers/footwear suitable for sports activities. **Please ensure students are dressed for the weather as many outdoor activities are planned** (coats if wet and cold, sunhats/sun cream if hot!)
- Students will work in bubbles with other students from their newly allocated House throughout the day to ensure Covid compliance and ability to track and trace should there be a need.
- Lunch- due to the current Covid restrictions on our school site, students will need to bring a packed lunch but a **break time snack and juice will be provided**.
- 2:50pm - parents/carers/siblings to arrive at school (following signs) for collection.

**[Please click here to confirm your son/daughter's attendance](#)**

**Please note a detailed itinerary of the day will be added to the New Starters 2021 page by May 21st**

We are committed to the academic and personal development of our students and always encourage a strong two-way communication with our parents to ensure the best possible support for all. Therefore, if you have any queries about this or any aspect of the transition to secondary school, please do not hesitate to contact school on 01282 865200 and ask for Mrs A Coward who will be happy to help.

This is such an exciting time for everyone – we are all very much looking forward to meeting our new members of Park High School and so happy that this can now be face to face rather than virtually! The staff are ready to put faces to names as we embark on supporting the next generation of Park students.

We look forward to meeting you in person either on the 24<sup>th</sup> June or in the future and hope that you have a happy, successful and rewarding final term at primary school.

Headteacher: Dr P Parkin

Yours sincerely

Park High School | Venables Avenue | Colne | BB8 7DP
