

Parents@Park

Parents@Park

Parents@Park is back - the place to be for all things Park!

Welcome to this week's edition of Parents@Park where you will find upcoming information about KS4 mock assessments. This coming week sees the start of GCSE mock examinations for Year 10 students. Mock examinations support students and teachers in identifying both areas of strength and gaps in learning so that staff can then work with students to gap fill, intervene and accelerate progress. I am sure you will join me in wishing our Year 10 students the very best of luck - work hard and you will reap the rewards!

Once again thanks to our families and students for ongoing support with our perfect uniform learning habit - our students are looking super smart and wearing their uniform with pride!

Business Enterprise

Students in the Park High Business project have been hard at work making and preparing products to sell to the school. On Mondays, until half term, there will be a stall in the Drama studio at break time for students to come and visit.

Monday 26th is the RLS Snack Shack, selling lots of favourite snacks and drinks.

Monday 2nd of February is Creamy Treats, selling homemade mint creams.

Monday 9th of February is Printz, selling 3D printed fidgets and key chains.

KS4 Interventions and Mocks

Please see below for Year 11 intervention nights, the timetable for Year 11 mock exams including Y10 RS (first two weeks after half-term) and Year 10 in-class mock exams.

Year 10 in class Assessments

2 weeks of in class assessments for Y10

Week beginning Monday 26th Jan

Week beginning Monday 2nd Feb

AFTER HALF TERM – Y11 Mocks and Y10 RS

	Mon 23-Feb	Tues 24-Feb	Wed 25-Feb	Thurs 26-Feb	Fri 27-Feb	Sat 28-Feb	Mon 02-Mar	Tues 03-Mar	Wed 04-Mar	Thurs 05-Mar	Fri 06-Mar
Form											
Period 1	YEAR 10 RS	English Lang Comp. 2	English Lit Comp 2 (2.5 Hrs)	Hums B - Paper 2 ... Option P (in class Pd 1 and Pd 2)	Chemistry - Paper 1		Biology - Paper 2	Chemistry - Paper 2	Maths - Paper 3	French Listening and Reading	YEAR 10 RS 2

Monday
Tuesday

English Priority Night
Maths Priority Night

On Monday and Tuesday English and Maths have priority for intervention with students.

Every subject has sessions after school – please check with your individual teacher what night they have a session for you to attend

Wednesday **FOCUS GROUP room 108**

58 Days of school until the GCSE's start

Year 11 French Intervention sessions restarting after school.

Thursdays in 215 - 3:10 - 3:40

Open to all Year 11 French groups and tiers.

3G Pitch

Park High School is working with the **FA and Football Foundation** to deliver a **much-needed 3G pitch** for our local community.

This facility would:

- ✓ Provide high-quality sports facilities for **schools and grassroots local sports clubs**
- ✓ Support local clubs including **junior sports, women's and girls' football, disability football and rugby**
- ✓ Be part-funded by the **Football Foundation**, with significant national investment coming into our area
- ✓ Create a long-term community asset for health, wellbeing, and participation

*The FA has identified this pitch as a **flagship facility**, and is currently pledging a **£1 million grant** towards the project upon approval of planning permission. Your support is vital to help demonstrate how important this facility is to our community.*

Please support the project by signing the petition below:

[Colne Park High School - Support a new 3G Pitch for our community and Park High School](#)

Careers

Over the last few weeks, students have had lots of opportunities to engage in careers and their life after Park High. From college drop-ins, to revision sessions, MEGA days and Workplace Wednesdays; we continue to highlight the importance of academic achievement and future prospects.

As part of Workplace Wednesday, we take students to a workplace each week. We are looking for your support as we need companies to work with. Please can you email Miss Barker (s.barker@parkhigh.apex-trust.org) or Mr Rigby-Wilson (j.rigby@parkhigh.apex-trust.org) if you can accommodate us! Thank you for your support.

Advanced apprenticeships available now

Discover your future on an Advanced Apprenticeship

At Rolls-Royce, we're proud to be a business that has helped shape the modern world, and we're committed to being a force for progress; powering, protecting and connecting people everywhere.

Our Engineering Advanced Apprenticeship gives you the real-world experience and expert training you need to help build some of the most advanced engines in the world. From day one, you'll get outstanding career support, debt-free qualifications and the chance to work in a friendly, supportive environment where you can be yourself. You'll start by gaining a strong foundation in practical skills with one of our approved training providers, then spend three years broadening your knowledge through attachments across our Civil Aerospace business. This is hands-on work with state-of-the-art products, equipment and machinery, where you'll train with engineering experts, work on live projects and earn as you learn.

Ready to apply?

Machinist/Inspector

As a Machinist/Inspector, you'll carry out precision work, making components from specialist materials using hand and CNC machine tools, as well as measuring and checking they're exactly right for our requirements. You'll also carry out inspection and quality control activities by checking components for both dimensional and geometrical accuracy. At the end of your apprenticeship, you'll have the skills and knowledge to undertake a Machining or an Inspection role.

In your first year, you'll gain a strong foundation in the practical skills you need with one of our approved training providers across the UK. Over the following three years, you'll broaden and deepen your knowledge through a range of attachments within our Civil Aerospace business, all the while working towards completing your apprenticeship standard and gaining relevant engineering qualifications.

Application support

Top tips!

What do I need to do?

Our online application helps us get to know you. **The real you.** You'll write answers to a short series of questions. This will help us understand your interests and what motivates you to join Rolls-Royce.

What can I use to help me?

We encourage you to research Rolls-Royce using Google and our website. Tools like ChatGPT can also help you structure answers, spark ideas, and shape a first draft. But remember that AI should only be your starting point. **Your application needs your personality, interests, and experiences, because only you can tell your story.**

What does the application involve?

The first part of our online application asks straight-forward questions about your name, education, and where you live. After this, we'll ask two or more in-depth screening questions.

Further support

You'll find the exact questions we ask, and some tips to help you answer them in our [handy application guide](#).

What role? - watch now!

Watch our Advanced Apprenticeship video to understand what roles we offer!

GOOD LUCK!

We look forward to receiving your application.

Detail for all roles:

Starting Salary: £17,595 per year. (Your salary progression from here will depend on the role that you go into.)

Location: Barnoldswick

Duration: 4 years

Requirements: Have or working towards min. of 4 GCSEs (or equivalent) at grade 4/C. Additional criteria may apply
