Parents@Park

Parents@Park is back - the place to be for all things Park!

Welcome back to the beginning of the Summer term!

It's been fantastic to see the school full of energy, smiles, and a real sense of purpose as everyone settles quickly back into routines. Year 11 (and Year 10 for GCSE RE) are in the final few weeks of preparation before the start of GCSE examinations - it is apparent that Year 11 are working really hard in lessons, revision and intervention to make the final preparations count.

Students have returned with great enthusiasm, showing a strong commitment to their learning and a positive attitude in lessons. They have been well prepared for learning and ready to work hard, embrace new challenges, and make the most of the opportunities ahead.

Thank you, as always, for your continued support with our school rules and learning habits.

MEDICAL APPOINTMENTS

We understand that medical appointments are sometimes unavoidable. If your child will arrive late to school or need to be absent due to an appointment, we ask that supporting evidence is provided.

Any appointment confirmation (such as a text message, letter, or screenshot) can be emailed to attendance_group@par.khigh.apex-trust.org. Alternatively, pupils can show this evidence to the Attendance Team when they return to school.

Please note that, in line with our attendance procedures, we are unable to authorise lateness or absence for appointments unless supporting evidence is received.

Thank you for your understanding and cooperation.

What is Nest Lancashire?
Nest Lancashire is funded by Lancashire's Police and Crime Commissioner to support young people across the county who have been affected by crime or subjected to threats or harassment. Young people can talk to us in confidence and all of our services are free of charge. Our aim is to help these young people to recover from whatever it is they have experienced. Trusted, friendly staff will be able to help them move forward and feel safe again.

Who is the service for?
Nest Lancashire supports anyone aged 5-18 who has been either a victim or a witness of crime or experienced an incident that has left them shaken. It doesn't matter if the crime or incident hasn't been reported to the police or if it happened a long time ago.

Young people don't always identify as victims and are sometimes unsure whether what has occurred does amount to a crime. We can help any young person that feels victimised or has witnessed something that has left them shaken. There is no incident too small for us to offer support.

What support is available?
We provide individual support tailored to the young person's needs. Young people can talk to us over the phone, in person, email or send us a text. We will talk to the person to get to know them and decide the best way forward together.

We can offer:

- One to one support
- Group sessions with other young people
- Access to sport and other social activities
- Confidence building
- Help to ensure young people feel safe and secure again
- Support in reporting the crime if the young person would like to do so
- Information about young people's rights as a victim of crime
- Support for young people throughout the process if a case goes to court
