Parents@Park

Parents@Park is back - the place to be for all things Park!

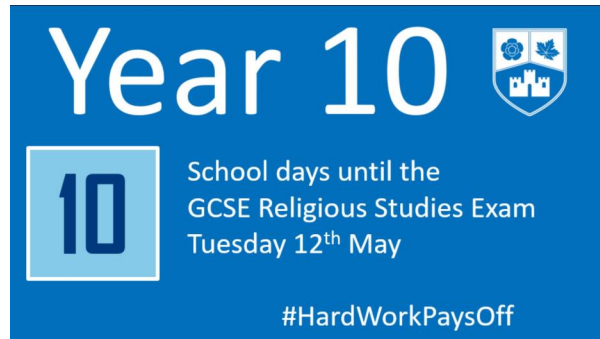

As we wrap up another productive school week, we want to thank everyone for their hard work and dedication. As the weather begins to get brighter, and exam season creeps closer, our students have maintained exceptionally high standards.

This week has been a week of reflection; we are so proud of the students and how they continue to show our core values. Students have been Actively Engaged in the classroom and learning is at the heart of what we do!

Enjoy the warm-weather this weekend and read below for more to celebrate this week...

After School Intervention

Monday English Priority Night
Tuesday Maths Priority Night

On Monday and Tuesday English and Maths have priority for intervention with students.

Every subject has sessions after school – please check with your individual teacher what night they have a session for you to attend

Wednesday FOCUS GROUP room 108

Water Bottles

As the weather does get brighter, please can we remind students to fetch a water bottle into school every day. There are water points in school for them to refill and stay hydrated.

Lunch Balances

Please can you ensure that your child's dinner balance is correct and in credit.

This stops any discrepancy with balances going into negative.

Thanks for your support on this matter.

Porto Trip

What an amazing Porto Trip!!

Students have been fantastic and a big thank-you to the staff for giving up their time.

On the second day, students took part in a fantastic training session with Dragon Force Porto coaches, played a friendly match against a local team, and capped it all off by watching Porto secure a 2–0 win!

On Day 3, the students took part in two training sessions at the New Balance Dragon Force ground. Topped it up with all you can eat buffet - the training sessions helped with their upcoming fixture against Dragon Force Academy on Day 4.

Day 4 had their last training session from the Porto coaches and played against the Dragon Force teams. The boys showed fantastic work rate and energy which resulted in an improved score line and excellent goals. The girls narrowly lost to the academy 2-1; these girls must be proud of themselves for showing tremendous teamwork.

Spring Photography Competition

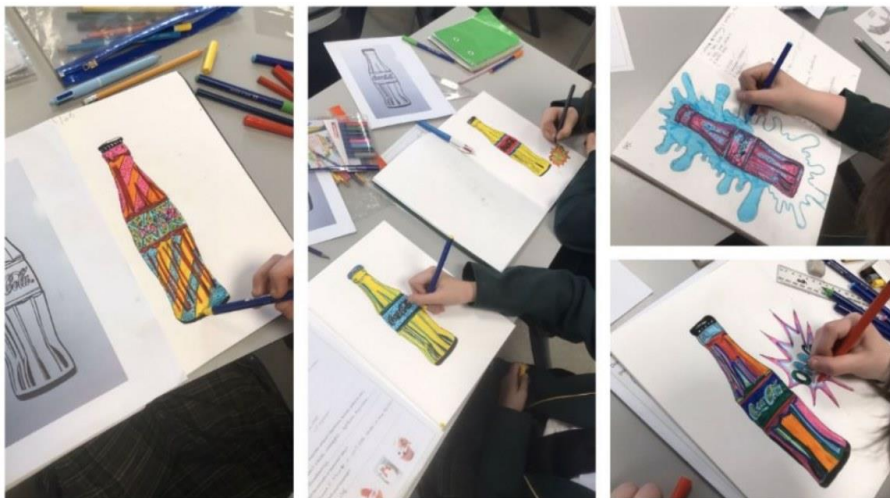

We had a great turn out on the spring competition with lots of entries from across the Trust. Two winners have been chosen, one primary and one secondary and two runner ups.

Alice Williamson, Year 7, is the **runner up** for the secondary Schools. Well done Alice - you can see her entry here.

Year 8 Pop Art

Year 8 have impressed Miss. Hooper & Mrs. Gibbons this week with their fantastic, vibrant Pop Art designs! Their ability to work independently and develop original designs inspired by Pop Art is outstanding. Keep up the good work year 8!

Easter Egg Competition

Congratulations to Pearl and Isobel for their winning Easter Egg designs!

Miss Hooper was delighted with the high standard and creativity of all the entries. Well done to all those who took part.

3G Pitch

Park High School is working with the **FA and Football Foundation** to deliver a **much-needed 3G pitch** for our local community.

This facility would:

- ✔ Provide high-quality sports facilities for **schools and grassroots local sports clubs**
- ✔ Support local clubs including **junior sports, women's and girls' football, disability football and rugby**
- ✔ Be part-funded by the **Football Foundation**, with significant national investment coming into our area
- ✔ Create a long-term community asset for health, wellbeing, and participation

*The FA has identified this pitch as a **flagship facility**, and is currently pledging a **£1 million grant** towards the project upon approval of planning permission. Your support is vital to help demonstrate how important this facility is to our community.*

Please support the project by signing the petition below:

What is Nest Lancashire?
Nest Lancashire is funded by Lancashire's Police and Crime Commissioner to support young people across the county who have been affected by crime or subjected to threats or harassment. Young people can talk to us in confidence and all of our services are free of charge. Our aim is to help these young people to recover from whatever it is they have experienced. Trusted, friendly staff will be able to help them move forward and feel safe again.

Who is the service for?
Nest Lancashire supports anyone aged 5-18 who has been either a victim or a witness of crime or experienced an incident that has left them shaken. It doesn't matter if the crime or incident hasn't been reported to the police or if it happened a long time ago.

Young people don't always identify as victims and are sometimes unsure whether what has occurred does amount to a crime. We can help any young person that feels victimised or has witnessed something that has left them shaken. There is no incident too small for us to offer support.

What support is available?
We provide individual support tailored to the young person's needs. Young people can talk to us over the phone, in person, email or send us a text. We will talk to the person to get to know them and decide the best way forward together.

We can offer:

- One to one support
- Group sessions with other young people
- Access to sport and other social activities
- Confidence building
- Help to ensure young people feel safe and secure again
- Support in reporting the crime if the young person would like to do so
- Information about young people's rights as a victim of crime
- Support for young people throughout the process if a case goes to court

<p>What is happening this term?</p> <p>As we all know, this is our final term of the school year and we have a lots of events coming up, including: Sports Day, Sports Competitions, Duke of Edinburgh and much more! Sports day involves students participating in their houses in a variety of sports like track, athletics, javelin and tug of war! It's a great day to celebrate the end of the year and we are looking forward to it!</p> <p>Year 11 exams – Year 11 are working hard in the final weeks before their GCSE exams begin.</p>	
<p>Open Door Charity Fundraiser</p> <p>Lots of money was raised during half term to support the Open Door charity project during the Easter holidays, where staff and students alike donated money to buy food for the local food bank for people to access who may need it.</p> <p>Nasa's Recent Trip to the Moon</p> <p>Artimus II is the first crude mission to go back to the moon in over half a century, since the Apollo missions back in the 1972 when the last people were set to stand on the moon. This has been a recent international space event, and something which we are passionate about at Journalism Club! Solar Eclipse: The crew witnessed a total solar eclipse in space, with the Moon blocking the Sun, allowing them to observe the solar corona.</p>	<p>Upcoming events</p> <ul style="list-style-type: none"> - PGL - at the end of the Summer Term, Year 7 will be going on their PGL trip. This will be an exciting time for them to try new things, engage in new opportunities and make new friends. - Easter Egg Hunt – our T1 competition was the easter egg hunt. Sadly, it was moved to Monday 20th April due to adverse weather! - Hadrian's Wall- Another upcoming trip is also at the end of the year. This trip is for everybody and will be taking place the same time as PGL and the French trip so keep your eyes peeled for further updates!
