

Parents@Park

Parents@Park

Parents@Park is back - the place to be for all things Park!

Years 7-9 students are busy preparing for and sitting summer assessment completion in the coming weeks - this will allow consolidation on progress and learning made this academic year. Our students have applied themselves brilliantly and, coupled with independent study and revision, should be ready to shine! Verbal, written and whole class feedback will follow as teachers mark and then unpick the assessments with students.

Year 11 GCSE's and Year 10 mock examinations continue to go well with students continuing to show determination, resilience and commitment. In between hard work in the classrooms and exam hall, we have had lots on offer for students including journalism club, sports extra-curricular and careers. A wonderful first week of summer term 2!

Year 7, 8 & 9 End of Year Assessments

Year 7, 8 and 9 end of Year Assessments

Students have been busy preparing with their Knowledge Organisers for the **Summer Assessments**.

Students in Year 7, 8 and 9 will complete the second week of in class assessments during week beginning 8th June.

Uniform

Thank you for your continued support with our school expectations regarding uniform, make-up and mobile phones. As a reminder about our school expectations:

- No unnatural or contrasting hair colours/hairstyles
- No make up

- No false/acrylic/gel or painted nails
- Nails kept short and natural with a clear varnish
- Students wearing school shoes not trainers
- Wearing full uniform with pride including blazer
- One pair of matching stud earrings
- No other jewellery

We take great pride in seeing our students looking fabulous and fully meeting our uniform expectations. Thank you so much for your support in helping us keep our school looking smart and consistent. We really appreciate your help in reminding students of these expectations!

Water Safety

Water safety – Important message for parents and schools

Following recent tragic incidents involving water, this is an important reminder of how quickly situations can change. As the weather gets warmer, more children and young people are spending time around rivers, lakes and the coast, increasing the risk of harm.

Even on hot days, open water can be dangerously cold, and conditions are often unpredictable.

Children and young people may not always recognise these risks, so it's vital that key safety messages are shared.

Key water safety messages

Please help reinforce the following advice with children and young people:

- **Stop and Think:** Check for hidden hazards such as deep water, currents and cold temperatures
- **Stay Together:** Never go into or near water alone; choose areas with lifeguards where possible
- **Call 999 in an emergency:** Ask for the Coastguard at the coast, or Fire & Rescue if you are inland
- **Float** – If you fall in, stay calm, float on your back and control your breathing

Cold water shock

Many recent incidents have involved cold water. Even strong swimmers can be affected. Sudden immersion can cause panic, loss of breathing control and reduced ability to swim.

If you fall into water:

- Try to stay calm: The effects of cold water shock usually pass within the first minute
- Float on your back to regain control of your breathing
- Once calm, call for help or swim to safety if possible

A Life-saving skill: Float to Live

Teaching children how to float could save a life:

- Tilt your head back with ears in the water
- Relax and breathe slowly
- Move hands and feet gently to stay afloat

In an emergency:

What is Nest Lancashire?
Nest Lancashire is funded by Lancashire's Police and Crime Commissioner to support young people across the county who have been affected by crime or subjected to threats or harassment. Young people can talk to us in confidence and all of our services are free of charge. Our aim is to help these young people to recover from whatever it is they have experienced. Trusted, friendly staff will be able to help them move forward and feel safe again.

Who is the service for?
Nest Lancashire supports anyone aged 5-19 who has been either a victim or a witness of crime or experienced an incident that has left them shaken. It doesn't matter if the crime or incident hasn't been reported to the police or if it happened a long time ago.

Young people don't always identify as victims and are sometimes unsure whether what has occurred does amount to a crime. We can help any young person that feels victimised or has witnessed something that has left them shaken. There is no incident too small for us to offer support.

What support is available?
We provide individual support tailored to the young person's needs. Young people can talk to us over the phone, in person, email us or send us a text. We will talk to the person to get to know them and decide the best way forward together.

We can offer:

- One to one support
- Group sessions with other young people
- Access to sport and other social activities
- Confidence building
- Help to ensure young people feel safe and secure again
- Support in reporting the crime if the young person would like to do so
- Information about young people's rights as a victim of crime
- Support for young people throughout the process if a case goes to court

World Environment Day

With the recent 100th birthday of David Attenborough, and the upcoming celebration of World Environment Day, we've decided to focus on its importance and suggest what we can do as a student body to stop the climate crisis.

The environment has changed a lot since the Industrial Revolution with the increase in carbon dioxide production, meaning the Earth is getting hotter. Another big problem is plastic pollution in the oceans. Microplastics are replacing plankton and fish are eating this, leading to human consumption of microplastics too!

We can stop this by using more reusable bottles and less plastic.

If we work together, use less energy as a school, recycle our single-use plastics, walk to school rather than using the car, we can help to protect our planet and create a better world to live in.

Happy Pride Month Park!

Pride month is all about Celebrating ourselves and our differences, so let's celebrate each other! Whether you are lesbian, gay, bisexual, transgender or queer, or whether you don't want a label, you should feel accepted at school and in society.

There are more than 100 sexualities and we are still counting. ❤️

Let's spread awareness this month!

What are your perspectives on social media and slang terms?

As of June 2026, lots of children are being involved in scams and cyber bullying. These scams often happen via apps and games like Robux, vbucks and game currency. Cyber bullying causes students around the world to feel no sense of belonging, making them distance themselves from others. How do we know what media platforms are suitable for children?

There are also words, known as 'slang terms' which we use in our everyday language, like 'rizzler' and '6-7'. What slang terms do you use?
