 **The Big Ask: Parent Information Sheet**

This week your children will be given the opportunity to complete The Big Ask questionnaire. This is a national survey for young people that has been created by The Children's Commissioner for England, Dame Rachel de Souza.

She's keen to hear from young people about the things that make them happy, that worry them and that they would like to see in the future.

All of your child's answers will be confidential, and they don't have to answer any question if they do not want to. They will be used to inform the Government of the changes that children would like to see.

Your child will be asked to complete the questionnaire at school this week.

- Shortly, Years 7-10 will be receiving their three week -long PRP to help and guide them with their preparations for the forthcoming summer assessments. These tasks have been specifically designed and allocated by your child's class teachers to ensure they are prepared and ready to show what they can achieve.

- It can be hard to know how to talk to your child about online safety. From setting up parental controls to advice on sexting, online games and video apps, the following links aim to support parents to understand the risks and keep your child safe:

Year 11

Sending our best wishes to Year 11 as they start their final assessments this coming Monday. Students will complete exam papers created from examination board resources and previous papers where content coverage has been checked. The assessment timetable is shown below. During this period, **100% attendance is essential in order for us to use this assessment as part of our holistic grade.** Time has been allocated within the two week period for catch up.

We have been so proud of Year 11 throughout the most challenging of circumstances. They are now ready to get their heads down and shine in the final assessments as they start to look ahead to new and exciting ventures beyond the gates of Park.

We wish them the best of luck and hope the assessment period goes smoothly for our students and families. #BeTheBest#ParkFamily#TimeToShine

National Reading Champions Quiz 2021

On Tuesday, two teams comprising of Year 7 and 8 students took part in the North West regional heats of the National Reading Champions Quiz 2021. Competing against students from the local area, our teams answered 100 questions relating to children's literature. The Year 7 Team came in 21st position and the Year 8 Team came 18th - the students showed excellent literature knowledge and had great fun being involved! Huge thanks to them for taking part and to Miss Pearson to organised the event.
