Parents@Park

Parents@Park is back - the place to be for all things Park!

Welcome to the first edition of this academic year's Parents@Park!

The first few days are complete; we have been very excited to see our students return as we get back into our Learning Habits. We were very proud of our GCSE results this year and this current Year 11 cohort have the potential to make even more progress.

Students have looked super smart, thank you for your cooperation with Perfect Uniform. Students have spent time this week with their form tutors ready for the term ahead, and met their new class teachers on Friday following their new timetables. We welcome our new Year 7 who have already impressed us with how they have settled in so quickly.

Welcome to the Park High family to our Year 7 students and parents.

A reminder that Monday 31st August is a bank holiday and school will be re-open Tuesday 1st September.

We are extremely proud of our Class of 2026 and their outstanding GCSE results.

In English and Maths, 72% and 74% of students achieved a Grade 4 and above, putting our results amongst the best in Pendle and the surrounding areas.

Take a look at the video above of Results Day! We wish all our outgoing Year 11 students the very best of luck in their future. It has been a pleasure to experience and celebrate your secondary school journey.

Welcome Year 7, Class of 3031!

It is always a nervous and exciting chapter in a young person's life starting secondary school. As parents there is a sense of pride seeing your 'little one' off to secondary school. Year 7 have settled in amazingly well and we are very proud of their conduct, kindness and collaboration. Students have received their timetables ready to go for their first full week next week.

Safeguarding @ Park Update

The safety and wellbeing of our students is paramount and a priority for everyone who works at Park High. Whilst our students were enjoying the last couple of days of the summer holidays staff were completing our annual safeguarding training, which is in line with Keeping Children Safe in Education 2026. In addition, staff have also completed statutory training for Benedict's Law, the School Allergy Safety Bill.

Please find links below that relate to some areas of the staff training carried out:

Thank you,

Mrs Sims

Notices and Information Share

What is Nest Lancashire?
Nest Lancashire is funded by Lancashire's Police and Crime Commissioner to support young people across the county who have been affected by crime or subjected to threats or harassment. Young people can talk to us in confidence and all of our services are free of charge. Our aim is to help these young people to recover from whatever it is they have experienced. Trusted, friendly staff will be able to help them move forward and feel safe again.

Who is the service for?
Nest Lancashire supports anyone aged 5-18 who has been either a victim or a witness of crime or experienced an incident that has left them shaken. It doesn't matter if the crime or incident hasn't been reported to the police or if it happened a long time ago.
Young people don't always identify as victims and are sometimes unsure whether what has occurred does amount to a crime. We can help any young person that feels victimised or has witnessed something that has left them shaken. There is no incident too small for us to offer support.

What support is available?
We provide individual support tailored to the young person's needs. Young people can talk to us over the phone, in person, email or via social media. We will talk to the person to get to know them and decide the best way forward together.

We can offer:

- One to one support
- Group sessions with other young people
- Access to sport and other social activities
- Confidence building
- Help to ensure young people feel safe and secure again
- Support in reporting the crime if the young person would like to do so
- Information about young people's rights as a victim of crime
- Support for young people throughout the process if a case goes to court
