Journalism Club

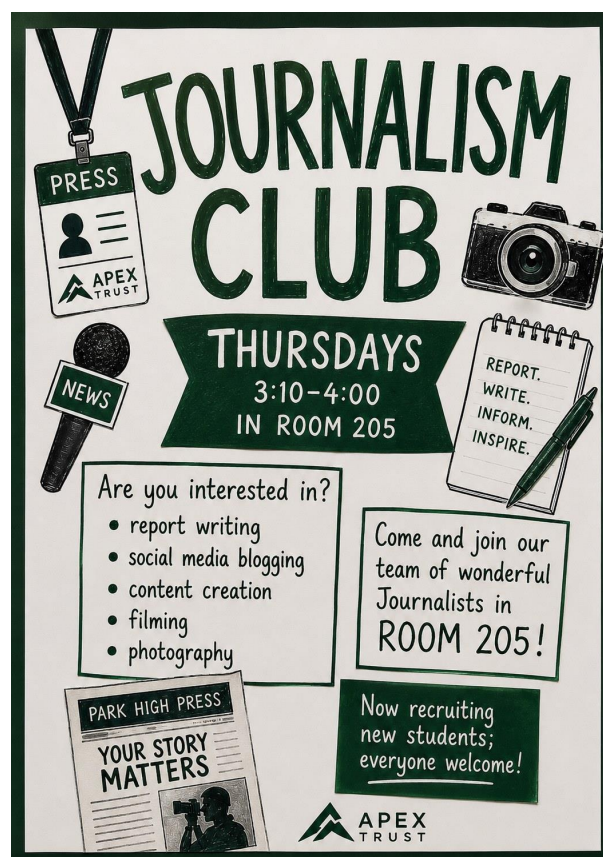

We are now recruiting new Journalists to join our **Park Press Team** for the academic year 2026-27!

If you are interested in social media content, video editing, vlogging, filming or writing reports, please come along to **Room 205 on Thursdays at 3:10-4:00!**

Last year was a huge success for our Journalists; they reported on a wide range of school events, including the Parliament Trip, Sports Day, the Talent Show, World Book Day and many more! They also interviewed many teachers for our Staff Spotlight of the Month and contributed to writing the Journalism Weekly - our student magazine updated on Parents@Park and our school Facebook page. They engaged with lots of students, made Journalism an invaluable asset to our school community, and developed their confidence and oracy skills. Absolute credit to them!

Come along and try something new - all students, including Year 7's are more than welcome!

We would love to see you there.

SMSC Update

SMSC (Spiritual, Moral, Social and Cultural) Weekly Update:

SMSC Vision: At Colne Park High School the spiritual, moral, social and cultural elements of a student's education is crucial to their development as an individual. We enable our pupils to take their rightful place in our community as a local, national, and global citizen. Through SMSC, we ensure that pupils are prepared for life in modern Britain, fostering a meaningful understanding of their world. Our curriculum supports them to develop an informed and balanced view on world events, beliefs and values of others.

This week during the Behaviour Curriculum, pupils had the opportunity to develop their **social education** by learning about active listening and how to respond to questions in the classroom. In addition to this, pupils have been enhancing their **moral education** by focusing on mental health during assembly. In particular, World Suicide Prevention Day which was on Thursday 10th September. This also links to the British Value of **respect and tolerance**. During Picture News this week, pupils have been focussing on perseverance and bouncing back from setbacks. They did this through reading an article on the Tour of Britain and how difficult the conditions have been for the cyclists involved this enhanced their **cultural education** and gave them an insight into what is going on across Britain.

Our reflection quote for this week is: 'You must never feel badly about making mistakes...you often learn more by being wrong.' Norton Juster; The Phantom Tollbooth

This week marked our first Year 8 Workplace Wednesday visit of the year! Our students were fantastic throughout the visit. They arrived well prepared with thoughtful questions ready to ask and were engaged and enthusiastic about learning more about how Colne Open Door helps our community in so many ways. A huge thank you to the amazing staff at the Colne Open Door Centre for once again welcoming us, showing us around and giving our students such a valuable and inspiring workplace experience. It has been an amazing start to the year for Workplace Wednesdays and we're excited for all of the opportunities still to come. We can't wait to return!

What is Nest Lancashire?

Nest Lancashire is funded by Lancashire's Police and Crime Commissioner to support young people across the county who have been affected by crime or subjected to threats or harassment. Young people can talk to us in confidence and all of our services are free of charge. Our aim is to help these young people to recover from whatever it is they have experienced. Trained, friendly staff will be able to help them move forward and feel safe again.

Who is the service for?

Nest Lancashire supports anyone aged 5-18 who has been either a victim or a witness of crime, or experienced an incident that has left them shaken. It doesn't matter if the crime or incident hasn't been reported to the police or if it happened a long time ago.

Young people don't always identify as victims and are sometimes unsure whether what has occurred does amount to a crime. We can help any young person that feels victimised or has witnessed something that has left them shaken. There is no incident too small for us to offer support.

What support is available?

We provide individual support tailored to the young person's needs. Young people can talk to us over the phone, in person, email or send us a text. We will talk to the person to get to know them and decide the best way forward together.

We can offer:

- One to one support
- Group sessions with other young people
- Access to sport and other social activities
- Confidence building
- Help to ensure young people feel safe and secure again
- Support in reporting the crime if the young person would like to do so
- Information about young people's rights as a victim of crime
- Support for young people throughout the process if a case goes to court
