A message from the Head

"Its wonderful to see students have returned to school following the Easter break in a positive and motivated manner - they are focused on their studies and working really hard and seemingly pleased to be back together on site (all be it in our bubble format). School has a really vibrant buzz - a great atmosphere for students to continue to be the best they can be. We look forward to the summer term ahead with life seeming a bit more 'normal' for our families"

Notices

- As per the DfE guidance: ***"In schools, for students in year 7 and above , face coverings should be worn when moving around the premises, outside of classrooms, corridors and communal areas where social distancing cannot easily be maintained. In addition, we also recommend, that face coverings should be worn by adults and pupils in classrooms or during activities unless social distancing can be maintained. Subject to the roadmap process, as part of step 3, we expect these precautionary measures to no longer be recommended. This would, however be no earlier than 17 May and will be confirmed with one week's notice".***

Therefore the wearing of face coverings will continue at Park until further notice. We would like to take this opportunity to thank everyone with their cooperation with face covering wearing. Students have adapted really well and this ensures we can keep everyone safe

- Thanks so much to all for the twice weekly Covid testing - home testing continues twice weekly until further notice. As per the guidance please continue to log the results with both the NHS and school log.

Additional home testing kits will be sent him with students in due course.

- From September, the uniform policy will be updated to state that all school coats must be black. In addition, the wearing of hoodies and jumpers under blazers will not be allowed. This information is being shared early to prevent parents purchasing outwear not in line with school policy.

- A polite reminder to remind parents to respect the yellow zig zag lines outside the school gates. Our number one priority is to keep everyone safe at all times and these lines should not be parked on as per the highway code. In addition please can we all be mindful of our local resident when parking to drop off and collect students.

Year 11 Leavers Updates

- It gives us great pleasure to confirm that (subject to any government enforced Covid restriction changes), we are now planning to have a **Year 11 2021 leavers celebration and we have a date**

of Friday 02nd July in the evening. Due to the pandemic, this event has to be alternative to the usual prom (it's not a prom!) but promises to be a spectacular event and one to remember. We are so excited and so happy for our students who truly deserve a brilliant send off.

Prom dresses and suits will not be needed - Transport to and from the event will, however, be provided as part of the ticket price.

Full details will follow but if you have any queries please contact shuntingdon@park-high.co.uk or kcoffey@park-high.co.uk

- **Leavers day is Friday 28th May** after which they will no longer need to follow their timetables and attend formal lessons. Students, may however, be required to spend some time in school after half term up until 18th June to fill assessment gaps and/or complete any unfinished coursework.
- **The Words of the Week** for the week beginning 12th April

A recruitment poster for the Pennine Teaching Alliance. The top half features a group of diverse school children and teachers running happily on a grassy field under a blue sky with clouds. The headline reads "EVERY LESSON SHAPES A LIFE". Below the image, there is a block of text describing the alliance and its mission. At the bottom, there is a call to action and contact information.

EVERY LESSON SHAPES A LIFE

Pennine Teaching Alliance (PTA) is a Multiple Teaching Alliance consisting of partners spanning across the full age spectrum from Early Years Foundation stage to post 16 education, offering Secondary Teacher training. Our Alliance facilitates opportunities for our schools to work collaboratively to drive improvements within the education system.

We can help you to make a difference in the lives of our young people. Together we share the vision and passion for outstanding provision where you will be supported to inspire and educate future generations. You will be part of a successful, professional family from the outset where nobody gets left behind and you will be encouraged to be the best that you can possibly be.
